Half mast The flag atop Calamity Hill was again at half mast over the weekend, to mark last Friday's service for Henry Norgaard, who passed away Sept. 13th. Friends, family & acquaintances gathered at the Civic Centre to pay their last respects to a true community man. Besides long years serving on the Chamber of Commerce board & City Council — as well as serving as the Mayor's husband — Henry worked hard at his business. And as Merritt flourished in the early 1960s, so did the Norgaard's endeavours.

Henry was an architectural designer & builder. He dreamed up ideas then used practical engineering to realize them. And those efforts often went to the betterment of the community: the teepee signs designed by Pius Chong, the concrete elements at the skateboard parks, to name just a couple.

Henry avidly followed the push & pull of civic life, and would only put in his 2¢-worth after careful study & lateral thinking. And he remained deeply engaged in his community right until the very end.

Deceased NVIT student identified

The BC Coroners Service confirmed the identity of an NVIT student who died following an ATV incident near Logan Lake on Oct. 10t. Richard Cameron Davis, aged 22, was originally from Coal Harbour, near Port Hardy on Vancouver Island.

He was part of a group of 18 students and two faculty members with the environmental resources technology program on a hands-on learning fieldwork trip.

Richard was the passenger on a four-wheel ATV which was travelling east-bound on the Surrey Sussex Lake Road south of Highway 97D near Logan Lake in the early afternoon hours of Oct. 10. The driver apparently lost control of the ATV, and it hit a signpost at the 4-km mark and then rolled down an embankment. She is in Royal Inland Hospital with non-life-threatening injuries. Richard was deceased at the scene.

The Coroners Service and RCMP continue to investigate this death.

Fire prohibition rescinded

As of noon yesterday, Oct. 15, open fires are permitted in all fire zones within the Kamloops Fire Centre, due to a decreased risk of wildfires. It is now permitted to burn waste, slash or other material; burn stubble or grass; use fire-works or burning barrels of any size in all BC Parks, Crown lands and private lands, but does not apply within the boundaries of local governments.

Did I say? One day, while strolling down the boardwalk, John bumped into an old friend of his, Rob, from high school. "You look great John, how do you stay looking so young? Why you must be 60 already but you don't look a day over 40!" Rob exclaimed. "I feel like I'm 40 too!" replied John. "That's incredible" exclaimed Rob, "Does it run in the family? How old was your dad when he passed?" "Did I say he was dead?" asked John. "He's 81 and is more active then ever. He just joined the neighborhood basketball team!" responded John. "Whoa! Well how old was your Grandfather when he died?" "Did I say he died" asked John. Rob was amazed. "He just had his 105th birthday and plays golf and goes swimming each day! He's actually getting married this week!" "Getting married?!" Rob asked. If he's 105, why on earth does he want to get married?! John looked at Rob and replied, "Did I say he wanted to?"
