**Search for Dean**

Tammy Caruso, who organized Saturday's foot search for Dean Morrison, posted on facebook: "We didn't find anything. But we covered a lot of area [on Stump Lake Ranch] and at the very least, we have shown the family our support and have eliminated that area from being questionable."

Dean has not been heard from since Oct. 22, after leaving his job at Stump Lake Ranch. Police conducted a search on Oct. 31st. Dean is described as 5'-5", 150 lbs, with blue eyes and brown hair. Anyone with any info is asked to call Merritt RCMP, 378-4262.

**Grants-in-lieu of property taxes**

Merritt received its share — \$28,327.36 — of approx. \$18.2 million in compensation for municipal property taxes for 63 communities. That's up \$1.3 million over last year's payments. Grants-in-lieu of property taxes are distributed annually to reimburse municipalities for services that have benefited government properties, such as sewers, roads and fire protection. The amounts paid are based on the assessed value of the properties and the municipality's tax rate — for courthouses, provincial government office buildings, ambulance stations and warehouses.

**'Take Back Your Power' screening**

Join the Nicola Valley Safe Technology Advocates on Thursday, Nov. 21st, 7pm at the Merritt Civic Centre. They'll host guest speaker Brian Thiesen, who has been campaigning widely to spread the truth about smart meters.

He will screen the video *Take Back Your Power*, directed and produced by the Vancouver-born & raised Josh del Sol. Josh has a vision for a more equitable & transparent social structure that values the sanctity of life and human rights. With compelling insight from insiders, researchers, government representatives, lawyers, doctors & environmentalists, the video investigates claimed benefits and apparent risks of this ubiquitous "smart" grid program. It is a journey of revelation and discovery, as Josh questions corporate practices of surveillance, extortion and causing harm in the name of "green". Admission is \$5 at the door.

**Tough Acc't** Jones applied to a collections agency for a job, but he had no experience. He was so intense that the manager gave him a tough account with the promise that if he collected it, he'd get the job. Two hours later, Jones came back with the entire amount. "Amazing!" the manager said. "How did you do it?" "Easy," Jones replied. "I told him if he didn't pay up, I'd tell all his other creditors he paid us."
