Thanks from the Legion

Merritonians showed up in large numbers to show their respect to our fallen soldiers and they honoured our veterans by their well wishes and gratitude.

We thank all the schools who invited us to speak at their school assemblies to the children of Merritt. We thank all of you for your support to the Poppy Campaign. ALL monies collected are used for veteran and dependents care, bursaries, cadet support, veteran transition houses, veteran medical help and the list goes on and on. (At NO time is the money collected ever used in branch operations.) The total collected will be reported as soon as we have finished counting!

Thanks very much, Merritt.

Spanish conglomerate to build & operate 'Green Energy' plant

Late last month, Iberdrola Ingeniería y Construcción was awarded contracts valued at €240 million (\$338 million CAD) for the construction & commission of a biomass power plant in Fort St James and in Merritt, with a combined capacity of 80 megawatts (MW) — 40MW each. The tender was called by Canadian investment fund Fengage Capital. During construction an average of 500 jobs will be created, with a further 22 (11 each) new direct jobs for the plants' operation and maintenance. The Merritt project will begin construction in February 2014.

These two contracts have enabled Iberdrola Ingeniería y Construcción to break into the Canadian market and consolidate its position as one of the most international firms in the energy engineering sector, with operations in all the main world markets.

Iberdrola is a Spanish private multinational electric utility company based in Bilbao, Basque Country. With projects in more than 30 countries and subsidiaries & branch offices in 27 countries throughout Europe, Asia, Africa and North and South America, Iberdrola Ingeniería y Construcción's services include engineering, supply, construction and commissioning, turnkey projects and operational support for other companies in the Iberdrola Group and for third parties, in generation, nuclear energy, networks & renewable energies (wind).

Their net profit amounted to €22.75 billion (\$32.07 billion CAD) in the first 9 months of 2013, and €34.20 billion (\$48.21 billion CAD) in 2012.

Christmas Hamper Program NV & Dist. Christmas Hamper Program will be accepting applications Nov 5 - 28, pick up at the food bank, 2026 Quilchena Ave Tues. 10am-1pm, Wed 10am-1pm & Thurs 10-noon. You don't have to be a food bank client to apply. There are also opportunities for families & companies to sponsor a family.

Awful Time "I've just had the most awful time," said a boy to his friends. "First I got angina pectoris, then arteriosclerosis. Just as I was recovering, I got psoriasis. They gave me hypodermics, and to top it all, tonsillitis was followed by appendectomy." "Wow! How did you pull through?" sympathized his friends. "I don't know," the boy replied. "Toughest spelling test I ever had."

Stained Glass An minister tells of his first Sunday in a new parish and of presenting the children's message. It seems the sanctuary in the new church had some magnificent stained glass windows, so his message centered on how each of us is called to help make up the whole picture of life (the life of the community of the faithful). Like the pictures in the windows, it takes many little panels of glass to make the whole picture. And then he said, "You see each one of you is a little pane." And then pointing to each child, "You're a little pane. And you're a little pane. And you're a little pane. And..." It took a few moments before he realized why everyone was laughing so hard.

Raffle winners

Patricia Rebekah Lodge raffle winners were: 1st prize (\$400) Olive Hunter of Kelowna; 2nd prize (\$200) Gail Padley, of Kamloops; 3rd prize (\$100) Betty Allan of Kamloops; 4th prize (Tim Horton \$50 gift card) Carolyn Wainwright of Merritt.

Many thanks to all who purchased tickets. Money raised will go for Christmas hampers and a high school bursary.
