Cris Derksen et al.

Last night, cellist Cris Derksen performed her sometimes haunting electro-classical, sometimes rocking war song music at the NVIT Theatre, accompanied by drums & a fantastic Cree hoop dancer. Cris has enjoyed much success these last few years, and those in the audience were left with no doubt why! (If you were smart, you picked up a cd or 2 - at just \$10 each, they are already some of my favourites, and probably my best investments in music.)

Since she uses a myriad electronic devices — Boss ME-70 guitar multi effect pad, Boss Loop Station RC20-XL & Dr Rhythm 880 drum pad — adjusting the controls with her feet, we are all the luckier that she was able to perform after she sprained her ankle last week in Ottawa.

2nd public hearing for asphalt rezoning

After city councillors and the public asked for clarification around the rezoning of property on Midday Valley Rd. for an asphalt plant, a second public hearing will be held just prior to the next council meeting.

On Tues., Nov 26, 5-6pm at the Civic Centre, the public will be able to speak on the issue & ask questions, before City Council reconvenes at 7pm to reconsider the third reading of the rezoning bylaw.

You can also write to Mayor & Council. No submissions will be accepted after the public hearing. As a matter of house-keeping, council had to rescind the third reading of the OCP bylaw amendment this week, to be able to hold another public hearing.

Letter to the editor Cinema Society secures land

It seems that the worst-kept secret in Merritt has finally broken loose. Yes, it is true that the Merritt Community Cinema Society has secured the land for the movie theatre project. Yes, it is in the downtown core. And yes, we will be into heavy fundraising mode in short order.

Look for our informational brochure soon to be available. It is an exciting project and one that has huge potential to benefit Merritt and the Nicola Valley.

Merritt Community Cinema Society Directors

Pessimist: Oh, this can't get any worse! Optimist: Yes, it can!

Is there another word for synonym?

What do you do when you see an endangered animal eating an endangered plant?

Would a fly without wings be called a walk?

If a turtle doesn't have a shell, is he homeless or naked?

Can vegetarians eat animal crackers?

If the police arrest a mime, do they tell him he has the right to remain silent?
