**Letter to the editor**

**Tempers flare at, after council meeting**

Still waiting for more information on the husband of Susan Roline (mayor of Merritt) assaulting long-time council member Harry Kroeker, at Tim Hortons restaurant in Merritt. This happened back in September 2013. It did make the papers, at least Merritt Herald, and Kamloops Daily News. However I have found no follow-up story on this subject. I'd like to see Susan Roline resign. We can't have our mayor's husband assaulting long time council members. We need council members at times to oppose the mayor. Having the mayor's husband physically assaulting long-time council members who oppose or insult the mayor is crazy in my opinion. Seems this topic has been hidden, I think it's important we address this publicly within the community.

I do not know the Rolines, and I do not know Kroeker. My opinion is completely unbiased without any ulterior motives.

—Ryan Chypyha

**Cars in Heaven** Three men died and stood in front of God. God asked the first man if he had been faithful to his wife. The man admitted to two affairs during his marriage. God gave him a compact car to drive in heaven. The second man admitted to only one affair and was given a mid-sized car. The third man was asked the same question and said that he had been faithful to his wife until the day he died. God praised him and gave him a big luxury car. A week later, the three guys met in a parking lot in heaven. The man driving the luxury car began to cry. "What's the matter?" the other two men asked. He replied, "I just passed my wife, and she was riding a bike!"
