## Life Drawing and Models

Looking for people to model for a life drawing class. Models are for nude and semi-nude sessions. Looking for a range of body types, sizes, and age. If interested, please respond to the address below.

Also, looking to see what the interest would be for a life drawing class or seminar. The classes will be small in order to attend properly to students needs and so will be offered a couple days a week. If interested, please include the days you'd like to see taught and respond to the address below.

## Lt Gov's statement on the death of Nelson Mandela

The Honourable Judith Guichon, Lieutenant Governor of British Columbia, issued this statement following the death of Nelson Mandela:

"On behalf of all British Columbians, I offer my condolences to the family of Nelson Mandela and the people of his beloved South Africa.

Mr. Mandela was a visionary who demonstrated courage and strength in his quest for equality and an end to apartheid and racism. He helped to transform South Africa into the nation it is today. As Canadians, we embraced his compassionate leadership by making him an honorary citizen and investing him as an honorary member of the Order of Canada.

Today the world has lost a true humanitarian, but his legacy will live on in our hearts forever."

**Nelson Rolihlahla  
Mandela**

July 18, 1918 -  
December 5, 2013

*Nelson Mandela was a descendant of a branch of the South African royal family, ineligible to inherit the throne but recognized as hereditary royal councillors. He was an anti-apartheid revolutionary who served as president 1994-1999, the first black South African to hold the office, and the first elected in a fully representative, multiracial election. His government tackled institutionalised racism, poverty & inequality, and fostering racial reconciliation. Politically an African nationalist & democratic socialist, he served as the President of the ANC 1991-1997.*

## Police report

### Voght Prk concession building fire

Early November 30, at approximately 7am, Merritt RCMP and the Merritt Fire Department responded to a suspicious structure fire near Canford Ave & Main St. Inside the City-owned Voght Park concessions building, a wood pallet and some burlap sacks had been set on fire. This building is used by the Fire Dept for training purposes. Damage was minor in nature. If anyone has any info about this, they are asked to call the Merritt Detachment or Crimestoppers.

### Lost money returned

Merritt RCMP would like to commend the honesty and integrity of a local family. On December 1, a family walking downtown found a large quantity of money in a zip-lock baggy on a sidewalk. The next day, the mother turned in the money to the police station, as found property. A short time later, police received a call from a distraught person advising that he had lost a lot of money. Police were able to determine that this man was the rightful owner and returned his money to him. He was extremely grateful for the return of the found the money.

### Wife's Diary / Husband's Diary

**Wife's Diary:** Tonight, I thought my husband was acting weird. We had made plans to meet at a nice restaurant for dinner. I was shopping with my friends all day long, so I thought he was upset at the fact that I was a bit late, but he made no comment on it. Conversation wasn't flowing, so I suggested that we go somewhere quiet so we could talk. He agreed, but he didn't say much. I asked him what was wrong; He said, "Nothing." I asked him if it was my fault that he was upset. He said he wasn't upset, that it had nothing to do with me, and not to worry about it. On the way home, I told him that I loved him. He smiled slightly, and kept driving. I can't explain his behavior I don't know why he didn't say, "I love you, too." When we got home, I felt as if I had lost him completely, as if he wanted nothing to do with me anymore. He just sat there quietly and watched TV. He continued to seem distant and absent. Finally, with silence all around us, I decided to go to bed. About 15 minutes later, he came to bed. But I still felt that he was distracted and his thoughts were somewhere else. He fell asleep — I cried. I don't know what to do. I'm almost sure that his thoughts are with someone else. My life is a disaster.

**Husband's Diary:** Boat wouldn't start, can't figure it out.

## Thinking of Dean

Christmas is around the corner and everyone is thinking of family and friends. This year there is a family missing a member. Dean Morrison went missing on October 22nd and hasn't been seen or heard from since. This is going to be a difficult Christmas for his mom Elizabeth Faber, his sister Michelle, and his son, and daughters.

Elizabeth thanks everyone who participated in the search for Dean and for all the support everyone has given to the family.

If anyone has seen Dean or knows of his whereabouts, please contact the Merritt RCMP 378-4262 or their local police services.

Dean, if by some chance you are reading this, please get in touch with your Mom, sister, or children. If ever there was a time for miracles, Christmas is that time.

—Rachelle Vogt, Merritt
