Let's go to the movies!

The Merritt Community Cinema Society is very pleased with the financial support coming in from the community — nearly \$100,000 in a very short period of time. Way to go, Merritt! Thank you. It's not too late to make a contribution. Every dollar gets us just that much closer to our goal. Many, many individuals, organizations and businesses have expressed support for the movie theatre but perhaps have not realized that this week (Dec 19) is the deadline. Let's get that land. No donation is too small. Donations may be sent directly to Merritt Community Cinema Society, 1952 Eastwood Ave., Merritt, BC, V1K 1K3 or deposited at Interior Savings.

Hospital budget

Expenditures for 2014 are budgeted at \$18.6 million, up approx. \$1.5 million from 2013. The 2014 residential tax rate for the TRHD will increase an average of \$21 per residential household assessment, up to \$127. The increase in the tax rate is to build up a down-payment towards the construction of RIH's Clinical Services Bldg and Parkade, and the Surgical Tower, expected to cost approx. \$400 million. The TRHD also approved a bylaw for cost-sharing (\$774,356 of \$1,935,890) with IHA for minor equipment in facilities in Kamloops (RIH), Ashcroft, Barriere, Chase, Clearwater, Lillooet, Logan Lake, Lytton & Merritt.

Grants supports safety in the backcountry

Nicola Valley Search & Rescue received \$10,000 and Logan Lake Search & Rescue Society received \$12,000 as part of gaming grant funding: \$4.1 million for search and rescue, firefighting and other emergency-related organizations.

Search & Rescue volunteers respond to more than 1,000 incidents of lost or injured people every year in the BC wilderness, more than the rest of Canada combined. Through BC Search And Rescue Assoc., this funding will support training and education for dedicated volunteers.

As part of the same funding package, the Canadian Avalanche Centre received \$250,000 and the Canadian Avalanche Rescue Dog Assoc. received \$70,000.

Assistance Please..... Lisa was out driving her car and while stopped at a red light, the car just died. It was a busy intersection and the traffic behind her was starting to pile up. The guy in the car directly behind her was honking his horn continuously as Lisa continued to try getting the car to start up again. Finally Lisa got out of her car and approached the guy in the car behind her. "I can't seem to get my car started," Lisa said, smiling. "Would you be a sweetheart and go and see if you can get it started for me? I'll stay here in your car and lean on your horn for you."
