## Willa Brooks Power Plus Skating

There's an opportunity for Midget/Bantam players to sign up for a unique set of training sessions on Mondays, January 20-February 26, at the Shulus Arena, \$142 for 6 sessions.

Willa Brooks has worked closely with Europeans & North Americans at the junior & pro levels for over 30 years to combine power skating & hockey-specific technique in the skating game.

As a former member of the World and Olympic skating team, Willa has represented Germany as well Canada in the Olympics and at 2 Worlds Figure Skating Championships. Throughout her career as a skating coach she has been associated with numerous minor hockey associations as their head coach in power plus skating. Her experience and knowledge of hockey and skating combined, is critical in being able to teach players how to become better all-around skaters. Willa is currently working with 57 NHL players, and her minor hockey students are well sought out at the junior level.

**Death preparation** Barry and Hannah, an old married couple, are sitting on the couch watching TV. On the show they were speaking about how to prepare in case of death etc. "Honey," says Barry, turning to his wife with a serious expression, "I want you to promise me, that if there ever comes a time that I am dependent on just machines and bottled fluid, that you will make sure to put an end to it." "No problem hun," said Hannah, and she promptly got up, turned off the TV, and poured his beer down the drain.
