Notice of avalanche control

Yesterday, DriveBC was advising travellers that the Coquihalla highway may be closed on short notice between Hope and Merritt for avalanche control. To safeguard highway users, helicopter avalanche control has been tentatively scheduled for Saturday, Feb 15th.

As much notice as possible will be given, however the timing and duration of the control is weather-dependant. They ask travellers to check DriveBC.ca for updates and plan accordingly.

Meet the candidates

Linda Baird

Merritt has been my home for over 40 years. I have volunteered with Guides & Scouts, Nicola Family Therapy- Board Member, Nicola Valley Heritage Society (Baillie House)-Vice Chair & Secretary, Nicola Valley Association for Community Living (Ska-Lu-La)-Treasurer, and recently organized the Children's Community Choir.

My employment since I came to this valley over 40 years ago has been primarily with the public (SD#58) and private education systems (First Nations) as an educator.

Merritt's doors have always been open to our changing times. This valley has embraced the Coquihalla Highway, the Information Highway and now we must continue to embrace the 'Highway of Change'.

Merritt must keep an open mind, an open door and be open to creative concepts promoting our potential to its fullest. One of the roles of Council is to listen to the needs, concerns and ideas of residents, and include their input in the decision making process. This can be accomplished by having more open dialogue, and more debates addressing topics of concern.

To attract business, newcomers and visitors, we must keep our facilities and infrastructure in tip-top shape. I realize that that this is very costly, but we need to budget wisely and spend tax dollars on needs not wants.

Communities In Bloom needs to be rejuvenated. This program was very successful in the past and helped instill a sense of community pride. Communities In Bloom is not just about pretty gardens: priorities include water conservation, using plants that are native to the area and involving the youth of the community.

When elected I will listen to your concerns and ideas and openly share these concerns and ideas.

I want to be your newest councillor therefore I ask for your support at the polls.

Schoenborn denied day passes

A psychiatrist told the review hearing that Schoenborn poses too great a risk to be allowed into the community. He said Schoenborn has been the victim of violence while in the hospital and has had angry outbursts, and he is concerned about what could happen if Schoenborn is allowed into the unpredictable environment of the outside world, being as recognizable as he is.

Currently he goes before the review board every year, but Darcy Clarke & her family are hopeful that by next year, new federal legislation will be in place to increase the time between hearings up to 3 years.
