Class 4 avalanche closes Coquihalla

Yesterday, the Ministry of Transportation and Infrastructure closed the Coquihalla between Hope and Merritt because of a major (class four) avalanche near the Great Bear snowshed. No vehicles were caught in the snow slide & no one was hurt, but Chilliwack SAR helped escort 100 vehicles off the highway.

Once conditions allow, avalanche clearing & control work will take place, tentatively scheduled for today, Friday Feb 21, weather permitting. Next update won't be until 10am this morning on Drivebc.ca. They were not estimating any re-opening time, as of last evening.

This current storm cycle on the Coquihalla corridor has resulted in avalanche conditions that have not been seen during the 27 years the highway has been open.

Drivers are advised to check DriveBC drivebc.ca for the most up-to-date info.

Letter to the editor

Re: New brand

...Country with Attitude, replacing Country Music Capital of Canada, Flourish Under the Sun, A Lake a Day as Long as You Stay, Merritt: Heart of Country.

Are you proud, satisfied with this new slogan? Do you think it will be a good draw for visitors, tourists to come to our friendly city?

Are you satisfied and happy with the decision of a few at City Hall and a task force probably paid to an outsiders' opinion/suggestion? Instead it could have been done for free and included all of the citizens.

A contest could have been advertised in our media for ideas/suggestions which would have had young and old being involved and participating in such an important decision.

Merritt has so many talented, creative people and this beautiful Nicola Valley deserves a more respectable, hopeful positive slogan — something with some class... "Country With class", "Country with Gratitude", anything but "Attitude", meaning all negative. But if you're happy, satisfied with the slogan, that is your prerogative.

However, if you still would like to see a different slogan and are against "Country with Attitude", there is a group against it, and instead of complaining (after the final decision), we are making a stand and voicing our concern and opinion at City Hall, during the next council meeting on Tues., Feb 25, 7pm.

If you wish, your attendance and support will be appreciated. Let's all work together for the future and good of Merritt for all the people. Thank you,

Concerned citizen, Dolly Jackson
[Ed.: The City's facebook page says: The Survey is back open! The City of Merritt still wants your feedback. Please complete the Survey and contribute your opinion to the economic and branding strategy for Merritt!]

There are 2 surveys, one for residents and one for business owners. However, there is not a section on branding, as mentioned above... though you could probably slot it into the 'other comments' spots...

Perhaps this notice is a way for the City to appear to be reacting positively to the outcry over the new branding. Meanwhile, a petition that will be presented at Tuesday's meeting has more than 400 signatures already. Available to sign at businesses around town.]

General voting day

General Voting Day will be open to qualified electors of the City of Merritt on Saturday, February 22, 2014 between the hours of 8:00 am and 8:00 pm at the Lower portion of City Hall, 2185 Voght Street. Bring 2 pieces of ID if you want to vote!

Open House presentation of the tourism plan and destination branding project update

Merritt Civic Centre, March 12, 6-8pm. Join the City of Merritt and TOTA for a tourism plan update, including the 3 components: Destination Branding, 2014 Travel Experiences Guide, and Destination/Stakeholder Inventory.

"The destination branding process is nearing completion. Consultation included two workshops, an online survey, one-to-one stakeholder meetings, council meetings and a focus group. A strategic direction has emerged that will showcase the Merritt, Nicola Valley for its diversity of travel experiences. Country is re-defined to break out of the ordinary; to present the Valley through story-telling from the characteristics of the land, the people, its history and the possibilities of the future, all with a twist."
