From the Merritt Dance Society

The money required to satisfy Service Canada has been raised and all payments done as per their requirement. The Merritt Dance Society fulfilled all instructions from the government without delay. At this point in time, we are confident that the *Love to Dance Academy* will be running at full capacity again soon. It is now up to Service Canada and Immigration to do their bit. We sincerely hope they don't disappoint us. We thank the community of Merritt for their support and you can be assured that we didn't leave any stones unturned. *Lizette Nel*

In like a lion out like a lamb

While many sayings are based on careful observations and turn out to be accurate, others are merely rhymes or beliefs of the people who came before us. Those people often believed that bad spirits could affect the weather adversely, so they were cautious as to what they did or did not do in certain situations. Those beliefs often included ideas that there should be a balance in weather and life. So, if a month came in bad (like a lion), it should go out good and calm (like a lamb).

With March being such a changeable month, in which we can see warm spring-like temperatures or late-season snowstorms, you can understand how this saying might hold true in some instances. We can only hope that if March starts off cold and stormy it will end warm and sunny, but the key word is "hope".

According to the *Farmer's Almanac*, this saying seems to be more of a rhyme rather than a true weather predictor.

BC long range forecast for March

- 1st-3rd. Some rain or (over higher terrain) snow for BC, then clearing and cold.
- 4th-7th. Yet another storm nears Pacific coast by 7th.
- 8th-11th. Dry, fair weather gives way to clouds and a few showers by the 11th.
- 12th-15th. Significant storm brings wind, precipitation, then slides to the S & E.
- 16th-19th. Fair, rather chilly.
- 20th-23rd. Increasingly cloudy skies.
- 24th-27th. Storm from Pacific sweeps rapidly east, bringing unsettled weather.
- 28th-31st. Slow clearing. *farmersalmanac.com*

The Florist

A new business was opening and one of the owner's friends wanted to send him flowers for the occasion. They arrived at the new business site and the owner read the card, "Rest in Peace." The owner was angry and called the florist to complain. After he had told the florist of the obvious mistake and how angry he was, the florist replied, "Sir, I'm really sorry for the mistake, but rather than getting angry you should imagine this. Somewhere there is a funeral taking place today, and they have flowers with a note saying, 'Congratulations on your new location!'"
