TNRD Library to get new system

The TNRD Library System will move in early April to a new computer system. The Sierra system, taking the place of Sitka/Evergreen, is a new web-based catalogue to view the library's collection and place requests for specific material. Sierra will include a more visually-appealing discovery layer, and support more sophisticated search techniques, (ie. "did you mean?" suggestions, popular choices, tag clouds and user-contributed tags.)

It will also let you review materials, create RSS My Record feeds, get same-day telephone notifications, and register for a card online. While not all of these features will be available immediately, the TNRD Library System will improve the experience over the long term. The launch date has not yet been announced, but watch for more info.

Dance studio closes

Yesterday, the Merritt Dance Society announced the final closure of the *Love to Dance Academy*, in the Old Courthouse.

"The slow wheels of government have made it impossible to continue to keep the dance school open and our beloved teacher Elizabeth Nel in Canada," said Candace Bateson. "The Merritt Dance Society was ordered to give Lizette back pay to make up for the salary discrepancy, as well as pay the employer's portion of taxes and associated deductions.

This was a huge amount of money to raise and we cannot thank the community of Merritt enough for the support. WE DID IT!! Every penny was paid as ordered and we were hopeful that this ordeal would soon be over."

They were told the investigation would take approx. 65 days; but they are now at 105 days & counting. The investigating department has no concern for Lizette's looming deportation date or the community's loss of the dance school. Insisting on communicating only by mail, taking weeks to respond to letters and unanswered phone calls have slowed the process. The unwillingness of the Immigration Dept & Service Canada to synchronize and work together has created an unwinnable situation.

"We, the Merritt Dance Society, are deeply saddened by this outcome and disappointed in our elected govt officials. We will miss Lizette & Herman, and wish them safe travels back to South Africa," said Candace.

There was a gentleman in the hospital bed next to me. He was covered with band-aids from head to toe. I said to him, "What do you do for a living?" He said, "I'm a former window washer." I asked, "When did you give it up?" He replied, "Halfway down."
