Ian Douglas Sinclair

January 1st 1942-April 24th 2013

"The beer and the wurst were wonderful, but I was dying to be back in the South, where the livin' was easy, where the fish were jumpin', where the cotton grew high." — *Johnny Cash*

A celebration of life will be held in honor of Doug in the The Fireside Centre in Spirit Square, Merritt, BC on Saturday, May 17th at 12pm. Friends and Family are welcome to come and spend some time remembering and celebrating our dear friend, Doug. Refreshments and snacks will be available. Huldra shares up a bit

Huldra Silver shares moved upward this week, after Ximen Mining Corp. (TSX-V:XIM) announced "it wishes to enter into formal discussions to explore a business combination in the best interests of both parties".

Ximen Mining Corp. owns 100% interest in 2 projects, Gold Drop Project and Brett Gold Project, in southern BC.

Sagebrush suit/ countersuit

In mid-March, two-time PGA Tour winner & co-designer of Sagebrush Golf & Sporting Club Richard Zokol launched a civil lawsuit against the current Sagebrush owners. He is seeking special damages, including a design fee of \$200,000 he alleges was never paid.

Today, the owners (Zokol's former partners) are counter-suing for more than \$42 million, the amount they claim has been sunk into the money-losing golf course.

They say Zokol didn't deliver on promises he made: an exclusive high-end private course, individual memberships selling for \$200,000 and 31 lots overlooking Nicola Lake selling for \$500,000 each.

The sale of the lots and memberships were intended to help cover construction of the golf course and amenities, the current owners say they spent \$27 million on Sagebrush. None of the lots have been sold and only a few memberships were sold at reduced prices. They report that Sagebrush continues to post operating losses of about \$125,000/month. *Source: Vancouver Sun*

Starts with F Determined to have a lazy day of fishing, I purposely ignored the leaky faucet and the broken gate — household projects that have waited... My wife asked, "What are you going to do today?" I grinned and answered, "It starts with F and ends with ISH." "Oh, good," she replied. "You're finally going to FinISH up those projects."

Pholenfrometry Nurse — He said his doctor said he has something called "pholenfrometry?" Specialist — Hmm, I don't know, it says here "He has fallen from a tree."
