Campfire ban starts today, 12 noon

As of noon today, all campfires will be prohibited throughout the entire Kamloops Fire Centre.

Since Monday, Wildfire Management Branch has responded to 26 wildfires, 19 of which have been lightning-caused.

The ban is to help prevent human-caused wildfires and protect public safety. The fire danger rating is currently "high" throughout the Kamloops Fire Centre, with scattered pockets of "extreme". With the current trend of warm and dry weather, wildfires in the region have displayed very aggressive behaviour and required additional fire suppression resources. Human-caused wildfires can divert critical resources and crews from responding to naturally occurring wildfires.

Wildfire Mgt Branch is urging the public to continue reporting any smoke or flames that they may see. You can report a wildfire by calling 1-800-663-5555 or *5555 on your cellular phone.

Maka-Murray wildfire

The fire is believed to be caused by a lightning strike on July 14, a rappel crew, airtankers and helicopters had initially responded to it. But last evening, due to aggressive fire behaviour at the Maka-Murray wildfire, west of Murray Lake in the Juliet Creek area, 5km west of the Coquihalla Hwy, ground crews were withdrawn from the fire as a safety precaution.

The aggressive fire behaviour, up to rank five, means a 'rapidly spreading wildfire with a organized flame front creeping up into the trees, candling, and with a high flame height', according to wildfire officials.

At 6:30 last evening, TNRD issued an evacuation alert for residents living in the vicinity of Murray Lake. There are 30-35 properties in the area.

Last evening, the fire was estimated at 80 hectares, double the size it had been reported earlier in the evening.

Congratulations, Ty!

Ty Pozzobon came 2nd overall in Bull Riding at the Calgary Stampede Showdown Sunday, scoring an 88 in both of Sunday. He brought home back-to-back 1st place finishes in the 2nd & 3rd days of competition, posting scores of 87 & 89.5

Semi fire on the Coq

Northbound lanes on the Coq, 10km north of Merritt, were closed for more almost 3 hours Monday evening, after a semi, burst into flames sometime after 6pm. The driver of the rig was able to get out just before it burst into flames, and appeared to be okay. Water tenders from the Merritt Fire Department and Forestry were on hand. An initial firetruck made it to the scene but didn't have enough water to extinguish the blaze.

Ben Franklin One day a gentleman walked into one of Ben Franklin's book stores. As one of the clerks went to assist him, the gentleman asked the clerk the price of the book he wished to purchase. The young clerk looked at the price posted on the book and said, "That book is one dollar, sir." The gentleman began to haggle with the clerk over the price. The clerk assured him that the correct price for the book was one dollar and no lower. As the man realized that his efforts to haggle with the clerk were going nowhere, he insisted on speaking with Ben Franklin directly. Franklin stopped his work and walked out to the storefront. The gentleman asked him, "What is the price of this book?" Franklin answered, "One dollar and a quarter." The gentleman was confused and replied, "Your clerk just said it was a dollar." Franklin looked at the book again and answered, "Yes, it was a dollar. But now you're wasting my time."

Projects are endless and might include: a study group to generate biographies of the Valley's war dead; concerts by Valley musicians and singers, music hall and church hall; exhibitions by painters that re-imagine the famous battlefield paintings of the First World War, or a memorial quilt.
