## Murray Lake update

As of 7pm last evening, the Maka-Murray wildfire burning west of Murray Lake had grown to an estimated 400 hectares in size. Heavy equipment, helicopters and 20 crews responded yesterday.

An Evacuation Order was issued by the TNRD for an estimated 30 properties on the east side of Murray Lake, in Area 'N'.

They also declared a State of Local Emergency in order to be able "to implement all procedures that are considered necessary to prevent or to alleviate the effects of the emergency".

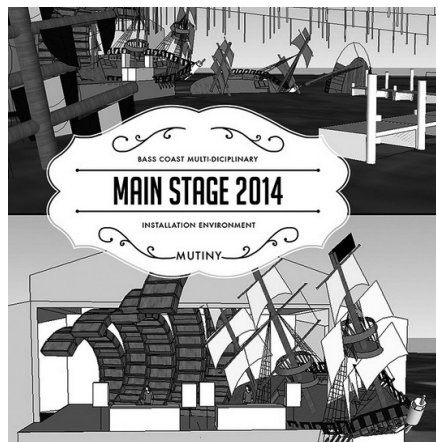

### Additional fire personnel

Yesterday, 55 additional personnel arrived from Ontario, Nova Scotia and Quebec. They are in addition to the 21 personnel from Ontario who arrived on Sunday, and the 14 from Alberta who arrived on Tuesday. They are being deployed throughout the province to the 12 active fires of note burning within the boundaries of the Prince George, Kamloops, Cariboo and Northwest fire centres. Most of these fires were caused by lightning. Wildfire Mgt Branch has responded to 573 wildfires so far this season.
