Footprints Harvest closes indefinitely

Late last week, Footprints Harvest announced this would be its last week of deliveries. They are closing indefinitely due to difficulties finding enough volunteers to work in the cooler.

They have been working for several weeks to come up with solutions, but to no avail — though they hope to resolve the issue in the near future and re-establish the service and produce that they began with over 5 years ago when it was just Jodi, Robyn and Laura working off the ranch, delivering organic produce to their customers' doors.

They expect to maintain their core of volunteers, but without 2-4 volunteers in the cooler or to do prep and/or clean-up for 2-4 hour flexible time slots on Tuesdays, Wednesdays or Thursdays, they just can't manage. If you are interested in helping, they encourage you to contact them, info@footprintsharvest.com or on their website: www.footprintsharvest.com

Wildfire situation

The Wildfire Management Branch welcomed over 220 additional fire personnel this past weekend.

90 personnel from Ontario arrived in Kelowna on Friday, 40 sustained action firefighters and 3 support staff from Quebec arrive in Prince George on Saturday, along with another 90 more support staff from Ontario.

These resources join more than 1,600 provincial staff, over 930 BC contractors and about 100 out-of-province personnel already engaged in fire response efforts.

The incoming personnel are in addition to about 80 specialized wildfire personnel from Australia who are scheduled to arrive in Vancouver in several groups from Saturday, through today.

Hot and dry weather conditions have elevated the fire danger rating throughout BC and many areas of the province are currently experiencing a "high" to "extreme" fire danger rating. The hot and dry conditions are expected to last for at least the next 2 weeks.

The Wildfire Management Branch has responded to 1036 wildfires so far this season, and most of those fires were caused by lightning. In the Kamloops Fire Zone, there have been 254 fires to date, which have burned 3513 hectares.

If you see a wildfire call toll free 1-800-663-5555 (*5555 on most cellular networks).

A surgeon with a high mortality rate loses 3 on the table in one week, all of them routine surgeries. Furious about the potential paperwork, malpractice insurance rate increases, etc. she calls Death to give him an earful. To her surprise she's put on hold. After listening to some music, Death comes on and says "thank you for your patients."

THIS WEEK'S HOROSCOPE

Aries

March 21 - April 19

You enjoy mixing with a variety of people, but keep a close eye on the costs and expenditures that all this socializing can cause to rise dramatically.

Taurus

April 20 - May 20

You are able to call attention to your talents in your work without much effort on your part. But the demands on your time & energy may be more than you bargained for.

Gemini

May 21 - June 20

You speculate about what should be your ideal lifestyle. Any innovations you introduce prove enlightening, but work schedules may interrupt your more philosophical activities.

Cancer

June 21 - July 22

You are super aware of the physical world all around you and close relationships intensify. But you need to play it for the long term in order to avoid disappointment.

Leo

July 23 - Aug 22

You are aware of the mood of partners and of the times themselves. Events proceed at a dizzying pace, keep one eye on your long term assets and goals among all the activity.

Virgo

Aug 23 - Sept 22

You tune in to what clients and your community need and want from you, and then supply it. But you could find yourself getting into difficult-to-solve situations.

Libra

Sept 23 - Oct 22

Emotional relationships take center stage. You are effusive in your dealings with people, but keep a close eye on unnecessary expenditures.

Scorpio

Oct. 23 - Nov 21

You put some finer touches to your home arrangements, and may decide to take on an ambitious renovation program once you get into the mood for improvements.

Sagittarius

Nov 22 - Dec 21

Short term travel and interaction with friends and relatives are your preoccupations. Avoid letting past disappointments colour your view of what is possible now.

Capricorn

Dec 22 - Jan 19

You are well aware of what is in demand and in fashion and can take financial advantage of this in your investments. Listen to what the wise among your friends suggest.

Aquarius

Jan 20 - Feb 18

You deal with a new variety of people and circumstances as your day to day situation changes. You may be allocated demanding tasks at work which you have to perform scrupulously.

Pisces

Feb 19 - Mar 20

You are sensitive to what is really happening below the surface. People are an open book to you and you can give good advice, but stick to the rules in the recommendations you make.
