## Rodeo accident claims life of local man

An accident on Sunday afternoon at the Redstone Rodeo near Alexis Creek, has taken the life of Jason Coutlee.

Some of the horses in the high-risk race down a steep slope got too close to each other and three riders tumbled off their horses at high speeds.

Jason was rushed to a medical clinic in Alexis Creek, but died en route to Kelowna General Hospital. The other 2 riders have severe injuries.

This is the first death in the event's 16-year history. The coroners service is investigating.

A funeral service for Jason was held yesterday at the Nkwala School Gym.

## Food Bank shelves nearly bare

August is a low time for donations at the Merritt Food Bank — what with vacations & the other many distractions. But the need to distribute food doesn't relent, and the Nicola Valley & District Food Bank is finding it hard to put together their regular food bags for their customers.

Food Bank manager Marlene Fenton said they are behind on everything. "We are looking for donations to help us through this tough time: financial donations to buy food, excess garden produce is great so that food doesn't go to waste but good only for a few days, and non-perishable food, ie. 'meal in a tin' such as ravioli, canned kidney beans for chili and canned vegetables."

If you can help out, please drop your donation by 2026 Quilchena Ave., or contact Marlene at 378-2282.

## Campfire ban rescinded

As of 5pm last evening, campfires are once again being permitted throughout the Kamloops Fire Centre, including Merritt & area.

The ban is rescinded due to recent precipitation, resulting in a decreased wildfire risk in the region.

Anyone lighting a campfire must use caution and follow provincial regulations, check regs at [www.bcwildfire.ca](http://www.bcwildfire.ca)

day. They are expecting 90 collectors, 20 of them first-timers, from all over the States & western provinces. The event is open to anyone interested in buying, selling, trading, or just finding out about glass insulators. Admission is free. FMI, contact Bob 378-2787.

**Q: Why does a blonde nurse carry a red Magic Marker?**

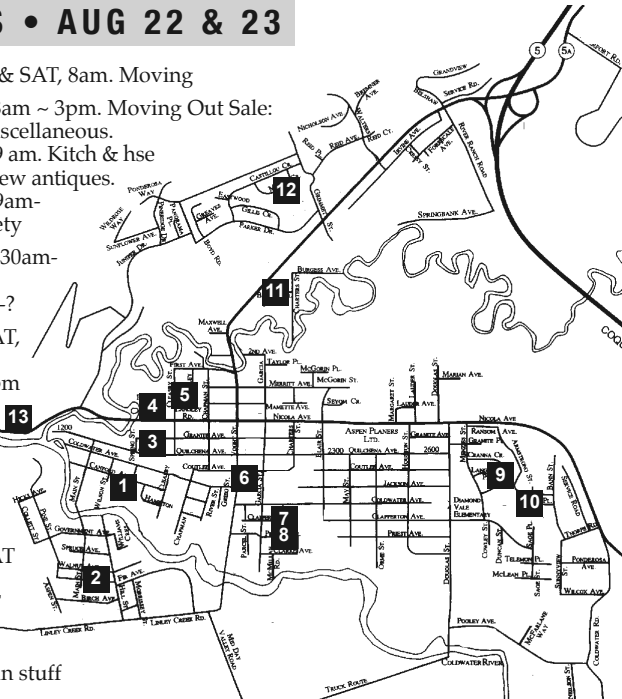

**A: In case she has to draw blood.**

**Barber Shop** I was getting my hair cut at a neighborhood shop, and I asked the barber when would be the best time to bring in my two-year-old son.

Without hesitation, the barber answered, "When he's four."
