## Bus crash update

Health officials say 15 people remain hospitalized, with 2 people still in critical condition after last week's tour bus crash. The cause of the accident is still under investigation, though police have ruled out speed & road conditions as factors.

## BC Hydro warns about new scam

BC Hydro is warning about a new telephone scam, where the caller claims to represent BC Hydro and says power will be disconnected if a payment is not received. The company, however, does not collect credit card or bank account info over the telephone. If you receive a call from someone representing BC Hydro and you doubt the authenticity of the call, hang up and call back.

If an account is in arrears, BC Hydro will send several notices in the mail and also use an automated dialer to remind customers to make a payment before electricity supply is impacted.

BC Hydro customers are asked to report any such fraudulent calls to BC Hydro at 1-800-BC-HYDRO, the local police dept., and the Canadian Anti-Fraud Centre at 1-888-495-8501.

## World Suicide Prevention Day Memorial Walk

As part of a local suicide prevention initiative, a memorial walk will be held on Wed., Sept. 10th in observance of *World Suicide Prevention Day*, starting and ending at Spirit Square.

This is the 2nd annual event held in Merritt to help raise awareness about suicide prevention and mental health issues. The WHO reports that approx. 1 million people worldwide die by suicide each year, making suicide a major public health problem in high-income countries and an emerging problem in low- and middle-income countries. The number of lives lost each year through suicide exceeds the number of deaths due to homicide and war combined.

This year's theme is "One World Connected", and organizers want people who are despairing and thinking about suicide to know that there is help available; all you need to do is to ask for help.

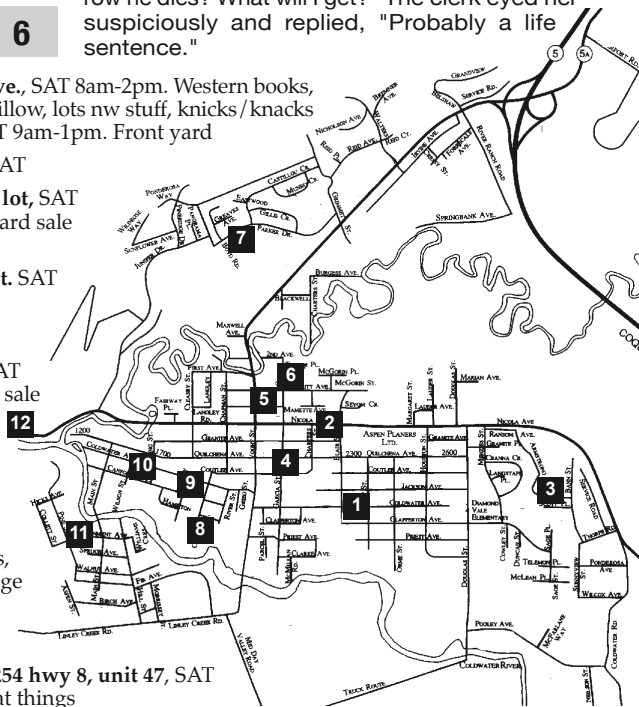

Approx. 100 people turn out to last year's presentation, and organizers are hoping for even more participation for a Candle Vigil, Reaching Out/Sharing Stories and info booths on site.

FMI, contact Mary 378-3401, MJ 378-9222, or Andrea 378-2771.

**Life Insurance** Mary was discussing the various aspects and possible outcome of an insurance policy with the clerk at the insurance agency. During the discussion, she asked, "Suppose I take the life insurance for my husband today for a million dollars, and tomorrow he dies? What will I get?" The clerk eyed her suspiciously and replied, "Probably a life sentence."
