In loving memory of

Patricia Holte

April 11, 1938 - Sept. 24, 2014

It is with great sadness we announce the passing of our beloved wife, sister, mother, grandma and great-grandma Pat Holte, on September 24, 2014 after a tough battle with cancer.

She leaves behind her husband of 43 years Earl Holte, her only sister Sally Tigert (Earl), her 4 children: Teresa Gentry (Joe), Jim Gillis (Deb) Allan Gillis, and Michele Pinel. Also 7 grandchildren: Randy & Tyler, Brad, Alysha & Cole, Jeff & Amanda. And 3 much cherished great-grandchildren: Halen, Kiley & Blair.

Mom's last few weeks were spent in hospice at Gillis House, where she received the most excellent care and consideration. We wish to thank the staff for their many kindnesses and gentle care of our mother.

There will be a memorial celebration of Pat's life on October 2nd, 2014 at the Evangelical Free Church, 1pm.

Charm School Two delicate flowers of Southern womanhood were conversing on the porch swing of a large white-pillared mansion. The first woman said, "When my first child was born, my husband built this beautiful mansion for me." The second woman commented, "Well, isn't that nice." The first woman continued "When my second child was born, my husband bought me that fine Cadillac automobile you see parked in the drive." Again, the second woman commented, "Well, isn't that nice." The first woman boasted "Then, when my third child was born, my husband bought me this exquisite diamond bracelet." Yet again, the second woman commented "Well, isn't that nice." The first woman then asked her companion, "What did your husband buy for you when you had your first child?" The second woman replied "My husband sent me to charm school." "Charm school!" the first woman cried "land sakes, child, what on Earth for?" The second woman responded, "So that instead of saying 'who cares?', I learned to say 'Well, isn't that nice.'"

THIS WEEK'S HOROSCOPE

Aries
March 21 - April 19

You find yourself in territory you're none too sure of. But you're not there for what it contains, you're in it for what it can lead to. Idealism and pragmatism will propel you to where you need to be.

Taurus
April 20 - May 20

You are shifting an obstacle, overcoming a limitation, and shedding a fear that you have long needed to do. Important relationships can only improve as a result of all this.

Gemini
May 21 - June 20

A pressing problem is behind you; inspiring revelations await you. You start to understand the drama, why it need not repeat itself and how a process of healing can now be set in place.

Cancer
June 21 - July 22

You want justice to be done. The issue is associated with deep feelings, loyalties & loves. You're not interested in whose fault it is, only how to make a positive contribution.

Leo
July 23 - Aug 22

If you can keep a healthy sense of perspective, it won't be necessary to do anything extreme. Small, subtle moves prove far more effective than big, dramatic gestures.

Virgo
Aug 23 - Sept 22

You really do have the power now, to turn a situation around and create respectful co-operation where there's lately been resentment or even conflict.

Libra
Sept 23 - Oct 22

Though your sensitivity is admirable, you may be too easily manipulated. Others know how to push your buttons. To attain power in your emotional life, resolve to take it cheerfully in your stride.

Scorpio
Oct. 23 - Nov 21

If it now seems as if life is sending a cloud of doubt in your direction. Hang on tight to who you know and what you trust about them!

Sagittarius
Nov 22 - Dec 21

Standing back seems inappropriate sometimes, for only when you do, do you realize how much more clearly you could have been seeing things.

Capricorn
Dec 22 - Jan 19

The dilemma, confusion & uncertainty you're experiencing are all potentially positive. Be willing to learn and be open to the possibility of a surprisingly constructive compromise.

Aquarius
Jan 20 - Feb 18

Stop thinking about what you 'ought' to be feeling and start feeling good about what's happening. And all will go well soon!

Pisces
Feb 19 - Mar 20

Rather than waste time wrestling with the impossible, accept that even if something can never change, it's not the end of the world. Move on and trust that somehow something will alter.
