Centennials raffle

Chance to win \$50G

It's a major fundraiser for the Merritt Centennials, and there are still 3 chances to win the Early Bird prizes of \$1000 each. Then on December 13, the final draw for the grand prize: \$50,000.

Congrats to the winners of the first 2 early bird draws: Bill Pierce & Mike Etchart. Tickets are \$100 each, available at the Booster Booths on game days or by contacting any board member. Only 999 tickets to be sold, must be 19+ years.

Utility bills, part 2

Residential property owners can expect their utility bills for water, garbage and sewer later this month. The City will be mailing them on Oct. 28th. This year, the utility bill was divided into 2 equal payments: the 1st at the end April and the 2nd is about to be invoiced.

FMI contact Deputy Finance Manager Ben Currie, bcurrie@merritt.ca

Flu season

Flu season is on the way. The flu shot and washing your hands frequently are the most effective ways to protect yourself. Interior Health free flu shot clinics will be starting in the next couple weeks (times to be confirmed). People not eligible for the free flu vaccine through the public program can get a flu shot for a fee at physician's offices, pharmacies, walk-in clinics, etc.

Influenza is often confused with less severe viruses that cause common colds or stomach flu (vomiting & diarrhea). There are no vaccines for these milder viruses.

The influenza vaccine provides protection from the influenza virus strains expected to be circulating in the coming flu season based on flu trends worldwide. This year's vaccine contains three different flu strains including the H1N1 strain which was the predominant strain last year.

Influenza is a significant illness that, at minimum, can make people quite sick for several days. People with influenza can also spread the virus to others who are at greater risk. For those with heart, lung, and other health problems, influenza can cause severe complications and even death. The Public Health Agency of Canada estimates that every year about 3,500 Canadians die from influenza complications.

Remembrance Day poppy campaign

The Legion's Poppy Campaign begins Oct. 31. Organizations and individuals wishing to buy a wreath to lay at the Cenetaph during the Remembrance Day ceremonies, please call Mo Dixon 378-6566 or the Legion 378-5631.

They are looking for volunteers to sit at the tables placed at Coopers, Extra Foods and Walmart — sign up at the Legion, only 2 hour shifts.

Remembrance Day ceremony will take place at the Civic Ctr on Nov 11, 10.15am. Get there early to get a seat!

*May No Soldier go unloved
May No Soldier walk alone
May no soldier be forgotten
Lest we forget*

"I've just learned about his illness. Let's hope it's nothing trivial." - Irvin S. Cobb

Funeral A funeral service is being held for a woman who has just passed away. At the end of the service the pall bearers are carrying the casket out when they accidentally bump into a wall, jarring the casket. They hear a faint moan and open the casket to find that the woman is actually alive! She lives for ten more years, and then finally dies. A ceremony is again held at the same place, and at the end of the ceremony the pall bearers are again carrying out the casket. As they are walking, the husband cries out, "Watch the wall!"
