Merrittonian involved in new free-fall record

Pilot & former Merrittonian Dylan Todd, along with co-worker Nick Beale, took part in the secret mission in Roswell, NM where Google senior exec Alan Eustace plummeted 135,908' towards Earth, setting a new world record for highest free-fall parachute jump. Eustace rode a hot air balloon up near the top of the stratosphere and free-fell for 4.5 min., achieving peak speed of 822 mph, and breaking the sound barrier. He landed 15 min. after detaching from the balloon, approx. 70 mi. from the launch site. This jump beats Felix Baumgartner's from 128,100' on Oct. 14, 2012.

Edmonton Skydive, the company Dylan & Nick work for, had the ideal aircraft & experienced staff to be part of the mission's reconnaissance flight team. There was a confidentiality agreement, and only the 2 pilots knew what was going on.

Flying a 2011 Kodiak, Dylan & Nick were in charge of locating Eustace once he deployed his parachute. They sat back and waited at about 12,000', and when the parachute opened they had to drop the other skydiver right over top of Eustace to guide him to the landing area.

Dylan said, "I miss the group of guys I got to know over the last 2 weeks. They're the best of the best. About 50 people, all absolute experts in their field, and all extremely friendly people."

Candlelight vigil for the 2 military men killed last week

Citizens of Merritt are invited to a candle light vigil at the Cenetaph on Tuesday 6pm, in honour of Warrant Officer Patrice Vincent and Cpl. Nathan Crillio. This is the Royal Canadian Legion Br. 96's way of honouring these two soldiers who were so senselessly killed while on duty. Please bring candles (or battery operated votives), flowers, Canadian flag. Poppies will be provided. Let's honour these soldiers, and pray that Canada remains safe from all evils. At the end of this gathering, organizers are hoping to hear a resounding version of *O Canada*.

Community All candidates forums

The Chamber of Commerce will host 2 all candidates forums at the Civic Centre. Mon. Oct. 27, 7pm for School District Trustees; Wed. Oct. 29, 7pm for Mayor & Councillors.

First Flight A little boy and his mother were taking his first commercial airplane ride. After boarding the plane, taking off, and being at cruise altitude for some time, the puzzled boy looked at his mother and said, "So when do we get smaller?"

THIS WEEK'S HOROSCOPE

 Aries March 21 - April 19 One person's sanity is another's madness - and vice versa. So who can say what's crazy this week? Don't let your fear - or someone else's negativity cause you to doubt yourself.	 Taurus April 20 - May 20 Fear erodes peace of mind, worry undermines it, doubt confuses it. But deep within, this week, you know how to nurture, trust it and keep life simple.	 Gemini May 21 - June 20 You want to protect someone from the consequences of their own silliness. You can only can decide that you don't need to worry and you can encourage others not to worry either.	 Cancer June 21 - July 22 Make an effort to understand colleagues & companions. It is easier to find fault with someone than to find a reason to forgive them. But that's not the right path for you this week.
 Leo July 23 - Aug 22 You're not sure what to prioritize and what to ignore. Take time out. Sit quietly for a while. An hour or two of peaceful contemplation will yet bring forth all the clarity you need.	 Virgo Aug 23 - Sept 22 There's nothing wrong with talking up an event in an effort to make it seem more magical. But now a minor difficulty is being painted as a major problem. Keep some perspective.	 Libra Sept 23 - Oct 22 Trust your instinct. Don't waste valuable time and energy trying to quantify it, though. Truly, go with what you feel this week.	 Scorpio Oct. 23 - Nov 21 You are feeling inclined to forgive a certain someone for something, but at what cost to your own health and well-being? Have a bit more sentimental respect... for yourself!
 Sagittarius Nov 22 - Dec 21 You worry & care about doing the right thing, and you hardly notice what's happening inside your heart. You have to stop, look within yourself and assess what really matters to you.	 Capricorn Dec 22 - Jan 19 Think of it as chipping away at a giant piece of rock. Of course, you are meeting resistance. But if you are sincere and persistent, you will yet make your breakthrough.	 Aquarius Jan 20 - Feb 18 Relax. Keep a eye out, but don't live & breathe anxiety. If you haven't got a determined ability to rise above a source of worry this week, you truly are in trouble!	 Pisces Feb 19 - Mar 20 Wisdom never goes amiss. The ability to be philosophical is invariably precious. Prioritize understanding over passion and you will naturally stay young at heart.
