## My name is GINNY PROWAL

I am running as a candidate for  
CITY COUNCIL

The improvements to Central Park are a major contribution to showcase an active and progressive community.

Voght St. is increasingly congested with a long stretch of unimpeded speeding vehicles.

Safe crossing to Central park is needed.

# MERRITT MORNING MARKET

WEDNESDAY EDITION – NOVEMBER 5, 2014 #2651

News, opinion, community events & classifieds since 1996! Box 2199 Merritt, BC V1K 1B8  
T (250)378-5717 F (250)378-2025 [market@uniserve.com](mailto:market@uniserve.com) [merrittmorningmarket.wordpress.com](http://merrittmorningmarket.wordpress.com)

And here are the

## Candidates... Part 4

### Everett Hoisington - school trustee

I have called the Nicola Valley home for 35 years, and attended school here from kindergarten to grade twelve. My wife Kimmy and I have three young sons who are currently part of School District 58.

Our school system is vitally important to me, on both a community and personal level. As your school trustee, I will be accountable to the students, families and the tax payers of this district. With the support of my family and employer, Teck Resources at Highland Valley Copper, I am more than ready to commit the time and energy required to be an effective and positive school trustee.

As a trustee, I would bring fresh eyes and a new perspective to the team. My life experiences and relationships have allowed me to bring the values and skills that would make me a strong trustee and have a positive impact. It would be a true honor to represent the 2000 students and their families in our district, to be an advocate for the approximately 300 designated special education students we serve, and to work to make sure that every student feels that they can graduate from high school with a plan and a dream, and the skills and the knowledge to carry it out.

I look forward to being part of a team that continues to work diligently towards making things better for our diverse kids to find success in an ever-changing world.

### Susan Roline - mayor

I am seeking your vote on Nov 15th to continue my work as your Mayor for a third term. I am Committed to the initiatives and work required to make Merritt the "Best It Can Be". What we have achieved so far will move forward with the Continuity that I provide. I have formed Relationships with the people and organizations we need as Partners, in order to bring new residents, new business, new investment and increased services to Merritt. So much has started but will need the knowledge and understanding to see it through. Any slow-down in the momentum we have built will be a setback for the work we've done these past six years. Merritt finally has the opportunity to become the City we want: desirable, affordable, a safe place to raise children, with good health care, well-paying jobs, easy access to nature and a thriving economy. You don't need any empty promises from me; the evidence of what I have done is clear! Don't let the momentum disappear; let me finish the job I started and let Merritt be the Best It Can Be now.

For Commitment, Dedication, Knowledge and a Leader's Perspective – Vote Susan Roline for Mayor.

Sponsored by Susan Roline, Candidate. 250-525-0869

### Gordon Swan - school trustee

My name is Gordon Swan and I am asking for your support in re-electing me to a seventh term as one of your three locally elected Trustees from the City of Merritt. I have been a Merritt resident for 27 years, married to my wife JoAnne for 30+ years and all three of my children were educated in School District 58 in Merritt schools. Professionally I am the Government Agent for Kamloops, Merritt and Princeton. I am also the Vice-President of the BC School Trustees Association. This position gives us voice in provincial matters concerning public education, child poverty, youth mental health, cyber bullying and a host of other programs aimed at the social, emotional and physical well-being of our most precious asset – our children. I believe that it's important as we enter this next 4 year term to have a seasoned Trustee on the team representing our community needs.

This next term will see the School District focussing its efforts on how to prioritize and implement the five-year strategy plan and the second Aboriginal Education Enhancement Agreement. We also need to continue to leverage community partnerships such as the recent successes with NVIT and Interior Community Services.

On November 15th Re-Elect Gordon Swan as School Trustee.

Q: Why did the belt go to jail? A: Because it held up a pair of pants!

Q: Did you hear about the calendar thief? A: He got 12 months; they say his days are numbered

Q: What kind of lights did Noah use on the Ark? A: Flood lights!

Q: What did one raindrop say to the other? A: Two's company, three's a cloud

Q: What happens if life gives you melons? A: You're dyslexic

## Pat Lunzman honoured

Attorney General and Minister of Justice Suzanne Anton recognized our own Pat Lunzmann (right) at the Community Safety and Crime Prevention Awards in Burnaby last Friday, as part of Crime Prevention Week, Nov. 1-7.

The awards, now in their 17th year, are bestowed on people and organizations in BC for their exemplary leadership in community safety and crime prevention and courage to stand up to crime.

Pat was recognized for her efforts of raising awareness of the dangers of speeding and road safety in the Nicola Valley since 1996. In her work, she has developed close working relationships with ICBC, the Central Interior traffic Services (Merritt Division), and First Nations partners.

Const. Joshua Smith of Lytton was also recognized, for his community outreach efforts starting a youth wrestling program.
