Merritt Centennials raffle for \$50,000

Right now, there's a much better chance than 1 in 999 to win \$50,000 to be drawn on Dec 13th. And there's still 1 early bird draw for \$1000. If you haven't got your ticket (\$100 each) you can get them at the arena & from the Centennials office in Property Guys across from the post office. Don't miss out on this chance, and to support our Merritt Centennials.

\$5 million for water

Upper Nicola Band, along with Whispering Pines/Clinton Band will share in a major investment in clean drinking water infrastructure from Aboriginal Affairs and Northern Development Canada. The \$5 million allocated by the federal government will provide each community with new water wells and reservoirs, distribution and supply lines, and a pump house and treatment system. The Upper Nicola Indian Band will receive \$2.8 million, while the Whispering Pines band will get \$2.1 million.

"The water system upgrade for our community has been in the plan for a number of years. The new system ensures we have a water supply safe for all uses and we can ensure that the people of this community are given every opportunity for a healthier lifestyle. Access to clean and safe water is one of life's priorities and we thank all involved for the new improved water system," said Harvey McLeod, Chief of the Upper Nicola Indian Band.

Thank you, all

We wish to thank all the people that contributed to the goodies for the Cancer Lodge in Kelowna. The soaps, shampoos, mugs, etc. are all very much appreciated. These items are put in mugs and wrapped and bowed and given as a gift to the patients arriving at the Cancer Lodge for very much needed care. We would also like to thank the ladies at the Thrift Shop for all the Christmas Mugs, they are all very much appreciated. These will be delivered before Christmas.

Last week we picked up five 5 gallon pails of can tabs and each pail weighs about 5 pounds. WHAT A DONATION!!!!!! Thank you everyone and please keep up the good work. We hope to make a trip to Kamloops with these tabs in the Spring as it takes about a pickup load to purchase a chair for Coquihalla Gillis House or at the Hospital. Thank you so very much all the ladies at the Hospital Thrift Shop who help to make these projects possible. You can drop your tabs, soaps etc. off at the Thrift Shop or call 378-6588 and we will pick them up.

Q: What's the difference between bird flu and swine flu?

A: If you have bird flu, you need tweetment.
If you have swine flu, you need oink-ment.

THIS WEEK'S HOROSCOPE

 Aries March 21 - April 19 it really doesn't matter who you know, it's what you know that matters. It just so happens that you now know something very valuable. Use your knowledge wisely and with sensitivity.	 Taurus April 20 - May 20 Some decisions are easy to make, but you need to make tougher ones, too. You may be giving too much weight to something trivial. Deal with the bigger stuff this week.	 Gemini May 21 - June 20 Some see you as a figure of authority, powerful & strong. This is not without its potential to confer a great advantage on you this week. As you will discover, if you are clever.	 Cancer June 21 - July 22 You are keen to satisfy several mutually exclusive criteria. One person needs you to do what another person needs you not to do. If you fool someone, will you really be pleasing them?
 Leo July 23 - Aug 22 Hide everything that's urgent in a cupboard till tomorrow. Forget it. No matter how diligent you are, you will only go round in circles. All will be well this week.	 Virgo Aug 23 - Sept 22 Even so-called cynics harbour secret childlike fascinations. Avoid unnecessary angst this week, by refusing to waste time with 'realism'!	 Libra Sept 23 - Oct 22 You fear that if you give the benefit of the doubt too freely, you will be considered weak. Better that, than to indulge a regrettable prejudice. You will profit from an open mind this week.	 Scorpio Oct. 23 - Nov 21 Given more time, you may be in a better position to successfully campaign for change. But you have an impeccable sense of timing that tells you it's not quite the moment yet.
 Sagittarius Nov 22 - Dec 21 Just because something was true once, you can't assume it remains so. A New Moon in your sign suggests a situation is evolving rapidly and old rules no longer apply.	 Capricorn Dec 22 - Jan 19 Pick the right goals, for the right reasons and there's no reason why you can't, now, make exactly the right progress, but you must be honest.	 Aquarius Jan 20 - Feb 18 The next few days bring the chance to hold a crucial conversation. Make sure you put some effort into the difficult part as well as the easy bit. Remember to pay attention.	 Pisces Feb 19 - Mar 20 We need good & bad or our lives become unbalanced. You have lately been going through a challenging time. Don't resent it. Allow it to teach you something valuable this week.
