COUNTRY CHRISTMAS EDITION – NOV. 28, 2014 #2661
News, opinion, community events & classifieds since 1996! Box 2199 Merritt, BC V1K 1B8
T (250)378-5717 F (250)378-2025 market@uniserve.com merrittmorningmarket.wordpress.com

The finale for last night's community concert featured all the performers onstage, lead by Ellen Nast, as well as audience participation. Wonderful!

Christmas concert

There is truly not a more enjoyable way to spend an evening than to listen to friends & neighbours — in all their musical endeavours — celebrate Christmas together.

It was a packed house last evening for the now-firmly-entrenched Christmas concert that showcases community bands, choirs, families and individuals who are so passionate in their pursuit of music. The polish & level of local talent was second to none! Congratulations to everyone who participated & attended.

Bev Stanich will marshal the parade

Volunteer extraordinaire Bev Stanich will lead the Country Christmas Santa Claus light-up parade this evening. Look for her at the head of the line.

The parade marshal role is given to honour someone who plays an important part in the community, however modestly. Bev is in good company for the honour — last year Lt.-Gov. Judith Guichon lead the parade.

Bev continues to work quietly & tirelessly with community organizations: Patricia Rebekah Lodge, Nicola Valley Women's Institute, Merritt Senior Citizens Association, and formerly Merritt Life Line.

Voicemail to the editor

To breathe or not to breathe

It's so romantic to sit around the fireplace. But for we with breathing problems, the cold air keeps the smoke down in our air and we breathe it. I guess a gas fireplace would be ideal. —DJ

Friends of the Nicola Valley

A Facebook group — Friends of the Nicola Valley — has been bringing awareness to the situation in Sunshine Valley, where an out-of-town contractor is spreading & stock-piling bio solids.

They've been posting info about the practice generally, as well as the ramifications of the use of Bio Waste, Bio Solids, Food Waste Compost and Class A or B Compost, all derived from sewage treatment of community waste water. They are concerned about the impact on water, land and air, and potential economic downturn for the entire area. Check out the issues and participate in the debate.

Get Better Soon A retired man who volunteers to entertain patients in nursing homes and hospitals went to one local hospital in Brooklyn and took his portable keyboard along. He told some jokes and sang some funny songs at patients' bedsides. When he finished he said, in farewell, "I hope you get better." One elderly gentleman replied, "I hope you get better, too."

Q: What do you call a man with no body and just a nose? A: Nobody nose.
Q: Why do fish live in salt water? A: Because pepper makes them sneeze!
