Quilchena Avenue, wishing for a white Christmas...

Sludge operation growing

The Sunshine Valley residents group calling themselves *Friends of the Nicola Valley* continue to try to bring awareness to the growing biosolids operation. Their latest tactic is an online petition at change.org To sign their petition, find them on Facebook and follow the link to the change.org website.

The latest post: *Those of you not aware of what is going on should drive up there to have a look, take some pics and post them and share them so the public becomes more and more aware!! We want our politicians to BAN this use of Human Sewage as 'fertilizer', they have done it in the Victoria Regional District (CRD) and they can do it here, NOW!!*

Letter to the editor

Our merits not to be messed with

The plot to dispose of big cities' waste by composting it at Sunshine Valley and then spreading it above Miller Estates is not just a Sunshine Valley or Miller Estates problem. We should all be alarmed even before toxins have seeped into water sources and the river, even before the stench spreads all the way to Merritt.

The plan has already been put into action, but if EVERYBODY protests we can still put a stop to it. Urban waste is much different from the cow manure that is part of ranching country. Remember, each day that goes by brings more trucks to dump the sewer of cities much larger than Merritt. Why should it be ruining OUR water, OUR air and OUR country environment? Let's not let them mess with our merits.

—Andrea Barnes

Big Tip A man rushed into a bar and ordered a double martini. The man downed it with one swallow, put a five-dollar bill on the bar, and turned and rushed out of the bar. The bartender picked up the five-dollar bill, folded it carefully, and tucked it in his vest pocket. Just at that moment he looked up at the boss standing in the doorway staring at him. Doing a bit of fast thinking, he said, "Hi boss, did you see that fellow just now? Came in here, bought a double martini, gave me a five-dollar tip, and rushed out without paying."

THIS WEEK'S HOROSCOPE

Aries

March 21 - April 19

You have been known to keep a commitment even when it is no longer relevant. You seem to be carrying something that others have long since put down. Time to move on and let go.

Taurus

April 20 - May 20

Will you get what you want? Probably, but only if you find out what you really do want. You have much opportunity that may need more discrimination.

Gemini

May 21 - June 20

Trust only logic tends to bring mixed blessings. Events in your emotional life now, bring you to a rare place, where your head and your heart are in full agreement.

Cancer

June 21 - July 22

Find the right frame of mind and you will look & feel vibrant and full of attractive energy. It will turn your worry lines into laughter lines. Don't take anything too seriously.

Leo

July 23 - Aug 22

You are not just intellectually alert, you are emotionally aware, and sensitive, creative and keen to grow wiser as you get older. So, let go of a fear or a bad feeling & move on!

Virgo

Aug 23 - Sept 22

Embrace a new perspective in your emotional life now. Explore a new point of view. Be willing to learn and to benefit.

Libra

Sept 23 - Oct 22

Be careful who you take into your confidence. Resolve to allow yourself not to worry about your emotional outlook any more. Then stick with that resolution all through 2015.

Scorpio

Oct. 23 - Nov 21

Some uncertainties can never be cleared up; they are part of the very fabric of existence. We must learn to love them and live with them. There are no guarantees in life.

Sagittarius

Nov 22 - Dec 21

People who think that they have explanations, miss out on the most fun. As you consider the outlook for your love life in 2015, look for opportunities, not reasons.

Capricorn

Dec 22 - Jan 19

Want a quiet life? You knew you were buying into trouble when you made a particular commitment. Now comes both the trouble... and the eventual, significant reward.

Aquarius

Jan 20 - Feb 18

You feel stretched & that you don't have the resources to make moves that you yearn to make. Seems demanding and unfair, yet there is a solution - and you are almost there.

Pisces

Feb 19 - Mar 20

It is appropriate, in your emotional life now, to be assertive. What's at stake deserves your attention, energy and commitment. It also, though, deserves patience, tact and ingenuity.
