Saturday morning vehicle incidents

On February 7th, Merritt RCMP responded to several complaints to vehicles in the downtown core.

Arson

At 5:45am, RCMP assisted the fire department at a call to a vehicle fire in the 1600 block of Coldwater Ave. The pickup truck had been entered and an accelerant used to light a fire inside the vehicle. The vehicle owner was awakened by noise to find flames in his vehicle, and was able to contact the fire department. Fire was extinguished with minimal damage to console of the vehicle.

Police are requesting information from the public if anyone has any information regarding the arson.

Smashed window

A little later, at 8:30am, RCMP were advised of damage to a vehicle parked overnight on the 1900 block of Quilchena Avenue. The owner had been working a night shift and discovered that the rear window had been smashed in her vehicle sometime overnight. There were no witnesses to the incident.

Dents & scratches

At 11am the same morning, police were advised of damage to a vehicle parked on the 2200 block of Granite Avenue. The vehicle was damaged while parked overnight at a residence. A large dent and several scratches on the hood were visible.

If anyone has any information on these or any other files please contact the Merritt RCMP 378-4262 or CrimeStoppers 1-800-222-8477.

NVIT gets federal trades training funding

Yesterday at NVIT, Okanagan-Coquihalla MP Dan Albas, on behalf of the Minister of State for Western Economic Diversification, announced over \$1.75 million in funding to support training for skilled trades.

The investment will be used to purchase a mobile trailer to deliver the Bridging to Trades program in Aboriginal communities across BC, and purchase related equipment and software used to equip both the trailer and the Merritt campus.

With continued growth expected in skilled trades across western Canada, there is high demand for trades training programs. With this investment, NVIT will be able to train an additional 70-80 students annually, and expand program delivery to an additional 3 or 4 Aboriginal communities.

Coq third on 'BC's deadliest hwys' list

The Coquihalla has placed 3rd on Global's *BC's 12 deadliest highways* list, with 32 fatal crashes between 2004 & 2013. The majority of fatal crashes on the Coquihalla happened on the southern half, with 13 fatal crashes between Merritt and Kamloops and 4 crashes at the 5/5A interchange. The Coq has gained a measure of North America-wide infamy from the *Highway Thru Hell* TV show.

But the problem with the Coq is not its design, but the fact it is a high mountain road, with extra dangers due to inclement weather & steep embankments.

Do you want to go to heaven? Father Murphy walked into a pub in Donegal, and said to the first man he meets, "Do you want to go to heaven?" The man said, "I do Father." The priest said, "Then leave this pub right now!" and approached a second man. "Do you want to got to heaven?" "Certainly, Father," was the man's reply. "Then leave this den of Satan," said the priest, as he walked up to O'Toole. "Do you want to go to heaven?" "No, I don't Father," O'Toole replied. The priest looked him right in the eye, and said, "You mean to tell me that when you die you don't want to go to heaven?" O'Toole smiled, "Oh, when I die, yes, Father. I thought you were getting a group together to go right now."
