Millie succumbs after dramatic incident

After an unexpected & strange accident Saturday evening, one of Merritt's bright lights — Millie Mitchell — is gone. Millie didn't survive an accident that apparently found her tumbling down an embankment and into the water.

She and Clara Norgaard were returning from the blockade on Saturday evening when their car broke down.

As it began to get dark, they decided to walk and that's when Millie fell. Evidently a passer-by saw the empty car by the side of the road & stopped to investigate. He found the two women near the water, and called an ambulance. Clara was released from hospital.

Millie will be missed by her friends, but her fierce support of this community will not be soon forgotten.

Millie worked tirelessly for the good of this community

Coq still wintry

A travel advisory was put in place yesterday morning, after Environment Canada forecasted heavy snowfall for the Coquihalla Highway between Hope and Kamloops. Travellers were advised to exercise caution. The advisory was rescinded by early afternoon, but rain & snow last evening made it look like winter again.

Royal LePage raises \$4,692 for cinema

At last weekend's steak dinner fundraiser at the Grand Pub & Grill, staff from Royal LePage hosted a hugely successful fundraiser for the Merritt Movie Theatre/Cinema Society.

Recently, the Cinema Society came together and re-focused away from a movie theatre business venture, which is not eligible for charitable status. The new approach focuses on the performing arts aspect, and the possibility of live cultural performances, live theatre, and more — including showing movies. With this new approach, the Cinema Society will be able to qualify for charitable status, as well as much-needed grants.

Royal LePage Merritt was the first member of the Merritt business community to put on a fundraising event for the Merritt Movie Theatre, and they're hoping others will be inspired to do so too!

Did you hear about the calendar thief? He got 12 months; they say his days are numbered!

A solar panel is talking to a wind turbine... The solar panel says, "So what do you think about this whole renewable energy thing?" The turbine replies, "I'm a big fan."

If at first you don't succeed, skydiving is not for you!

THIS WEEK'S HOROSCOPE

Aries
March 21 - April 19

You are capable of waking others up to facts that they need to face. But you can also help people to see why some of their worst fears are unfounded. Doing all that will help you too.

Taurus
April 20 - May 20

Don't ignore your strongest feeling now. Just wait patiently for the right opportunity to be decisive and make a difference. That is coming up sooner than you think.

Gemini
May 21 - June 20

They say a lie, if repeated often enough, becomes a kind of truth. Beware of trying to convince yourself of something that you can no longer recognise a reality.

Cancer
June 21 - July 22

Think about your commitment to a plan, project or arrangement. Might not a break bring precious perspective that, in turn, might hasten success? If you want to rise up, ease up.

Leo
July 23 - Aug 22

Like a jigsaw puzzle, this week, you are reconstructing something that was once deliberately dismantled. It will be a positive process.

Virgo
Aug 23 - Sept 22

Got a problem to solve? A fear to conquer? A conflict to clear up? Make a wish and... there is a supportive celestial climate and you'd be wise to nurture some positive expectation.

Libra
Sept 23 - Oct 22

You are determined to clear up another source of confusion. This brings more success than you might expect. Believe in your own brightest beliefs.

Scorpio
Oct. 23 - Nov 21

A series of confusing psychological collisions has left you feeling apprehensive about what the future holds. You'll regain lost confidence and start to see a clear path to a happier tomorrow.

Sagittarius
Nov 22 - Dec 21

When do we really ever understand exactly what we are letting ourselves in for when we make a commitment about anything, to anyone? A hunch is all you have to go on this week.

Capricorn
Dec 22 - Jan 19

Not that anything sad is due to happen in your world now, but you should be wary of your own uncharacteristic vulnerability now. Don't get too soft or too soppy.

Aquarius
Jan 20 - Feb 18

It may sooner rather than later that you begin to see just how valuable so many past experiences have been. Greater strength and stability awaits you soon.

Pisces
Feb 19 - Mar 20

Have faith in your ability to make what you want to happen, happen. If you believe it is possible and fair, you will get it. And that outlook looks great!

Intuitive Painting® focuses on your spontaneous self-expression via contact with creative energy. The focus is not on final product or artistic techniques. Painting is used as a tool to help you face the creative void evoked by the empty white paper. You will explore your patterns that prevent the spontaneous emergence of images and colour. You will be introduced to a method of inquiry that dissolves creative blocks, moves you deeper into your inner authentic world, and

No previous painting experience is necessary. Be prepared for fun, emotions, self discovery, soul support and colour!

Painting process and photos at www.mypage.uniserve.ca/~sn1138/

See length Intuitive Painting workshops and retreats, across Canada, USA, and Mexico for over 20 years. We completed the 3-year master training and certification program at The Painting Experience Studio in San Francisco, under Rebecca Gammon. Her background is in teaching art and secondary education, public relations, personal development and social justice programs. She currently lives in Spruce Bridge, BC
