City tax increases

The City's financial services staff is getting ready to finalize its budget for 2015 & file it by the May 15 deadline.

It will contain an across-the-board 2% property tax increase, applied to all property classes, to cover this year's increased electricity, labour & additional debt servicing costs (for such things as paving, the public works yard office addition, Central Park improvements, the addition to the Fire Hall, and the new fire pumper truck). On the flip side, the Aquatic Centre debt is finally paid off.

Water user rates will be increased by 10%, to 'catch up' from previous years, as there has been no increase since 2011. In future, they propose to make yearly increases in line with inflation, so it won't be necessary to make such a big jump again. They will also increase the water parcel tax from \$80/parcel to \$100, which will generate approx. \$64,000. The last increase was in 2008. The total water increase should generate \$180,000 which will go directly to fund future water projects, primarily water main replacements.

Garbage collection rates will be increased by 10%, as well. This is to offset higher solid waste disposal fees by TNRD, which increased from \$60/tonne to \$80/tonne. That impact on the City's garbage collection costs is estimated to be nearly \$100,000 each year.

Utility bills are payable May 15 & Nov 15 each year. Property taxes are due at the beginning of July.

New minister at St. Michael's church

There will be an Induction Service for St. Michael's Anglican Church's new minister, the Rev. Peter van der Leelie, on Sunday March 29, 4pm, 1990 Chapman St., with the Rt. Rev. Barbara Andrews, Bishop of APCI, officiating. A pot luck supper will follow in the hall.

Peter comes to Merritt to help create a centre for diversified spiritual & cultural events, based on the needs he finds here. He says he'll work with the parish to realize "a new vision that is geared toward embracing all people of the Nicola Valley".

Peter's career includes several years of journalism as an associate editor before he entered the priesthood. He has served in Manitoba, the Sunshine Coast and Kamloops area. He dabbles in theatre — acting & directing — and has won the *Vancouver Sun* award for best actor. He likes to write, hike, run and downhill ski. His education is centred on kindergarten where he discovered humour. He & his wife Nancy have two grandchildren.

St. Michael's hasn't had a full-time minister since 2000, when they went to half-time ministers. In 2010 it went down to quarter-time. Peter will work part-time, and the Deacon & Lay Ministers will fill in when he is not scheduled.

Computers are like air conditioners. They work fine until you start opening windows.

How can you drink this stuff?! An angry wife was complaining about her husband spending all his free time in a bar, so one night he took her along with him. "What'll you have?" he asked. "Oh, I don't know. The same as you I suppose," she replied. So, the husband ordered a couple of Jack Daniel's and threw his down in one shot. His wife watched him, then took a sip from her glass and immediately spat it out. "Yuck, that's TERRIBLE!" she spluttered. "I don't know how you can drink this stuff!" "Well, there you go," cried the husband. "And you think I'm out enjoying myself every night!"

I'm not saying that the customer service in my bank is bad, but when I went in the other day and asked the clerk to check my balance ... she leaned over and pushed me.
