Planning begins on Emerg department

The initial planning stage is under-way for the emergency department up-grades at the Nicola Valley Hospital, after they were first announced last year.

Interior Health has released a request for proposals for architectural and planning consultants to develop a plan to assess the physical space and health-care service requirements for the hospital's emergency department.

During the planning process, the consultants will consider patient privacy and confidentiality, safety, infection prevention and control measures, and patient access and flow.

The cost of the planning will be approximately \$600,000, to be shared between the Province, through Interior Health, and the Thompson Regional Hospital District.

This phase is expected to take 9-12 months to complete. Built in 1964, the hospital serves a population of approx. 12,000 people.

Campfire ban

Effective at noon today, Friday, July 3, all open fires — including campfires — will be prohibited throughout the entire Kamloops Fire Centre, until further notice. The ban has been put in place to help prevent human-caused wildfires and protect public safety.

The fire danger rating is currently "high" throughout the Kamloops Fire Centre, with some areas, including Merritt, rated "extreme". With the current trend of warm and dry weather, wildfires in the region have displayed aggressive behaviour and have required additional firefighting resources. Human-caused wildfires can divert critical resources and crews from responding to naturally occurring wildfires.

In addition to campfires, this prohibition applies to open fires of any size, industrial burning, fireworks, tiki torches, sky lanterns and burning barrels. This ban does not apply to cooking stoves that use gas, propane or briquettes, or to a portable campfire apparatus with a CSA or ULC rating that uses briquettes, liquid fuel or gaseous fuel, so long as the height of the flame is less than 15 centimetres.

Vintage, Cruisers to meet at Canadian Tire at 11:30am & parade through town and end at Lions Park by the Merritt Desert Inn. Bring a picnic lunch and enjoy the cars! This is to thank car clubs for supporting their communities. FMI call Jack, 378-2662.

Golf for Guatemala The NV Evangelical Free Church are fundraising for their missions trip to Guatemala in the summer of 2016. They will hold a golfing event on Saturday, July 18, 2-8pm at the Merritt Golf & country Club. There will be 4-man best ball golf, dinner, silent auction. Tickets are \$60 /person, includes golf & dinner. FMI or to book tee time, balan@smartstepyouth.org or call 525-0141.

CFO asks CEO: "What happens if we invest in developing our people and then they leave us?" CEO: "What happens if we don't, and they stay?"

Robbing the Grave One day Little Jonnie says to his father: I want to get married. Father: Oh, so do you have someone special in your mind? Johnny: Yes...Grandma. Father: What? There is a problem now; you want to marry my Mother? Johnny: Why not? You married my mother.

BreatheBikes' beginner's guided ride

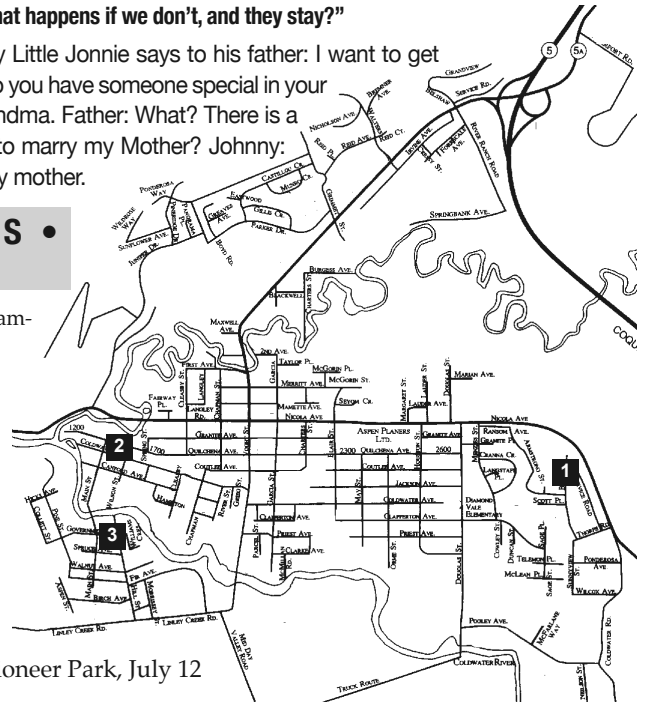

BreatheBikes is hosting its first beginner's guided ride on Monday, July 6 at 7pm. Meet at their shop, 1975 Coutlee Ave. For the first ride, they will head out to the lower Coutlee flats (behind Secure All storage), for an approx. 1km loop on mostly flat with a few gentle grades. They'll review the basics of gear shifting and balance to give beginner mountain bikers info about some key skills that are developed and honed by mountain bikers at every level. Rides will follow every Monday in July. If you need a rental, come by the shop before the weekly ride to reserve a bike for \$20. Experienced riders are also invited to join the group and share your knowledge and skills.
