Janos (John) Nagy
March 17,1935 - June 30,2015

It is with great sadness in our hearts that we announce the passing of our loving father and grandfather John died with his family and dear friend Kathy Nokelby by his side on June 30, 2015.

His valiant fight against cancer and its effects came to an end with the same dignity and strength he showed throughout his life.

John was born in Budapest, Hungary on March 17,1935. Survived by his brother who lives in Hungary Lajos Nagy and three daughters Margy, Eva, and Sandy (Danny); grandchildren: Louis, David, Desiree, Cherene; great grandchildren Grayson, Tiago, Echo, Corbin, Ayden, Keegan.

John will be sadly missed by his friends and family.

Wildfire update

There were 23 new fires in BC on Monday, and 184 active fires within the province (of these, 18 are active fires of note), with 8 evacuation alerts/orders currently in effect.

The BC Wildfire Service has responded to 887 wildfires so far this season. As of yesterday, approx. 40 homes on Evacuation Order with approx. 920 homes on Evacuation Alert.

Human-caused wildfires are preventable and the public is BC's first line of defence against forest fires. Please be diligent when in the backcountry, and report all wildfires to 1 800 663-5555 or *5555 on your mobile phone.

Letter to the editor

Increasing prices in light of no taxation of feminine products

Progress was made when the BC provincial government recognized that feminine products are a necessity and a very costly burden for women, and legislated that they are to be non-taxable starting July 2015. Greed became evident when it was brought to my attention that a drug store chain throughout Kamloops (and BC) are raising the prices on all feminine products effective July 1. Apparently, the chain reasoned they will take advantage and scoop in extra revenue that the government has forfeited since women are forced and used to paying whatever the price. The timing of the corporate policy is strategic and alarming. I cannot do anything about it except to warn women to be aware of sudden price increases, and shop and move your business to the businesses that best represent your interests. Now that prescriptions are online, moving to another drug store is easy. I am the mother of two daughters and seeing as how the chain is next to other feminine product and drug providers, we are moving our business elsewhere which we estimate is worth more than \$14,000 per year for purchases of prescription drugs plus over-the counter drugs, vitamins, make-up, some food items, hair products, gift cards and gifts, seasonal items, magazines etc (they do not sell clothing). Buyer be aware.

— V. Weller, Kamloops
