BASS COAST WEEKEND EDITION – JULY 10, 2015 #2746
News, opinion, community events & classifieds since 1996! Box 2199 Merritt, BC V1K 1B8
T (250)378-5717 F (250)378-2025 market@uniserve.com merrittmorningmarket.wordpress.com

Putting on the final touches Last evening, Bass Coast organizers & volunteers were out in full force — approx. 600 on site last evening, 1000 in total for the festival — finishing construction, adjusting sound equipment, setting up public spaces & vendors tents. Left, co-founder Liz Thomson explains the concept for the touchy-feely tentacles that are this year's theme.

Bass Coast 2015 Tentacular!
Bass Coast Festival starts today through Sunday. You can purchase Saturday-Sunday and Sunday-only tickets online at basscoast.ca Locals can get them at 378 Board Shop, 2149 Quilchena Ave. You can keep up with things on facebook.

Air quality/smoke advisory for Nicola

Air quality advisories for most of the BC South Coast and Fort St. John will continue because of high concentrations of fine particulate matter due to wildfire smoke. Smoky skies advisories have also been issued for most of the Southern Interior because of forest fire smoke that is affecting the area.

On July 7th, the Ministry of Environment, in collaboration with the Interior Health Authority, issued a smoky skies advisory for the entire Thompson, Fraser Canyon, Nicola, and Shuswap areas because of forest fire smoke that is covering the area. Smoke concentrations will vary widely as winds, fire behaviour and temperatures change.

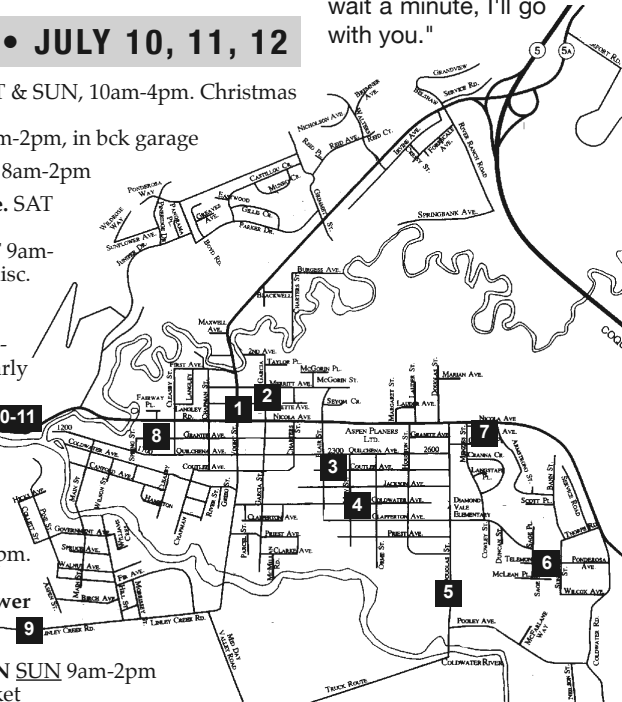

Persons with chronic underlying medical conditions should postpone strenuous exercise until the advisory is lifted. Staying indoors and in air conditioned spaces helps to reduce fine particulate exposure. Exposure is particularly a concern for infants, the elderly and those who have diabetes, and lung or heart disease.

If you are experiencing any of the following symptoms, contact your health care provider: difficulty in breathing, chest pain or discomfort, and sudden onset of cough or irritation of airways. If you are experiencing symptoms, avoid strenuous outdoor activities, especially along busy traffic corridors.

Generation Gap During one "generation gap" quarrel with his parents, young Michael cried, "I want excitement, adventure, money, and beautiful women. I'll never find it here at home, so I'm leaving. Don't try to stop me!" With that, he headed toward the door. His father rose and followed close behind. "Didn't you hear what I said? I don't want you to try to stop me." "Who's trying to stop you?" replied his father. "If you wait a minute, I'll go with you."
