The marker was moved again, for only the 2nd time since the Voght St. sign was erected, after the govt declared 'level 3' drought conditions for most of the BC Southern Interior.

More watering restrictions due to drought

In the wake of the provincial government's declaring a 'level 3' drought for most of the Southern Interior, City Council has decided to further restrict sprinklering in Merritt.

At last night's regular meeting, they voted unanimously to ban sprinklering on Wednesdays & Thursdays. The new sprinklering schedule will be: Even number addresses can water Mon. & Fri.; Odd number addresses can water Tues. & Sat. Same times, 6-8am & 7-10pm.

In addition, parks, the cemetery and other locations where watering is deemed "unnecessary", the grass will be allowed to turn brown.

Councillor Ginny Prowal, who made the motion, believes that this way Merrittonians will achieve more than the 'minimum 20%' voluntary water use reductions required by the provincial 'level 3' drought water conservation plan.

Level 3 drought in Nicola Similkameen

The Coldwater River, at Merritt and near Brookmere, is currently well below the recorded minimum flow for this period of time. (In fact effective today through Sept. 15, all streams and rivers in the Similkameen drainage as well as the Kettle and West Kettle Rivers, and all tributary streams in these areas — most of the south Okanagan — will be closed to angling. Lake fishing is not affected.)

Streamflows on the Coldwater, Tulaheen & Coquihalla rivers are similar to late-summer conditions. This is due to below-average precipitation & warmer-than-normal temperatures in June and early July, combined with a relatively minor freshet runoff because of the early snow melt and a record low snowpack.

Age-friendly action plan survey

The City of Merritt currently has a survey available to residents. They're hoping everyone will fill it in and help to determine what's important to Merrittonians. Access the survey from the website: www.merritt.ca

Bass Coast Festival wants to thank the 3000 festival-goers who attended and contributed to making it their best event yet. Over 1000 staff & volunteers worked tirelessly to create a completely original experience. Bass Coast Festival 2016 dates will be announced shortly. Meanwhile, check out their social media channels for photos and videos.

Q. How many psychiatrists does it take to change a light bulb?

A. Just one, but that light bulb really has to want to change!

Safe Driving Award A guy was driving when a policeman pulled him over. He rolled down his window and said to the officer, "Is there a problem, Officer?" "No problem at all. I just observed your safe driving and am pleased to award you a \$5,000 Safe Driver Award. Congratulations. What do you think you're going to do with the money?" He thought for a minute and said, "Well, I guess I'll go get that drivers' license." The lady sitting in the passenger seat said to the policeman, "Oh, don't pay attention to him - he's a smartass when he's drunk and stoned." The guy from the back seat said, "I TOLD you guys we wouldn't get far in a stolen car!" At that moment, there was a knock from the trunk and a muffled voice said, "Are we over the border yet?"

Foreign Language Mother mouse and a baby mouse were walking along, when all of a sudden, a cat attacked them. The mother mouse goes, "BARK!" and the cat runs away. "See?" says the mother mouse to her baby. "Now do you see why it's important to learn a foreign language".
