Hamilton Hill wildfire

The Rank 2 wildfire Friday on Hamilton Hill had grown to 45 hectares in size by the time it got to mop-up stage, according to www.bcwildfire.ca/.

A 20-man sustained attack crew and two 4-person initial attack crew fought the fire on the ground while 8 aircraft actioned it from the air — 5 tankers, 2 dropping retardant and 3 skimmers along with 3 helicopters. Once darkness forced the aircraft to stand down, ground crews spent Friday night working on fire guards. Flames were visible from town as dusk fell, but reports say most had been put out by 1am.

Huge thanks to all the firefighters.

3-year agreement for city workers

The City of Merritt & Canadian Union of Public Employees, Local 900 (Merritt Unit) ratified a renewed collective agreement last week. It provides a wage increase of 1.5% retroactive to this past Jan 1, a further 1.5% increase on Jan 1, 2016, and 1.75% increase on Jan 1, 2017.

“Collective bargaining was conducted in a civil, courteous and professional manner and both parties demonstrated a willingness to consider proposals from the other and to compromise in order to reach agreement,” said CAO Allan Chabot, chief negotiator for the City. “I would like to thank all bargaining team members for the good spirit that was demonstrated around the bargaining table.”

One Steep Hill Panting and perspiring, two men on a tandem bicycle at last got to the top of a steep hill. “That was a stiff climb,” said the first man. “It certainly was,” replied the second man. “And if I hadn’t kept the brake on, we would have slid down backward.”

Motel Currency When the fellow called a motel and asked how much they charged for a room, the clerk told him that the rates depended on room size and number of people. “Do you take children?” the man asked. “No, sir” replied the clerk. “only cash and credit cards.”

THIS WEEK'S HOROSCOPE

Aries

March 21 - April 19

Your attitude to 'trouble', your fear or lack of it, may determine the outcome of a drama. Be respectful & discreet. If such restraint can't be maintained, take the initiative.

Taurus

April 20 - May 20

Life lately has been about meeting basic needs and solving pressing problems. While these have not all been taken care completely, you have made good progress.

Gemini

May 21 - June 20

You don't have much time to seize the chance that has started to arise but you do have time to recognise that it does exist. Put aside doubt & worry. What looks good... is good!

Cancer

June 21 - July 22

You'll get help to understand a complicated situation or communicate with someone who is not easy to talk to. You have clarity; act on what you see & take power over your destiny.

Leo

July 23 - Aug 22

This week, you may suspect that something precious is slipping away from you. However, be not so concerned, it will yet return.

Virgo

Aug 23 - Sept 22

Money can't buy love, but it can buy experiences that create an impression of precious feelings. But when those dry up, we can appreciate the power of the real thing.

Libra

Sept 23 - Oct 22

You get a reminder of sacrifices that have to be made and compromises that cannot be avoided. Yet it will also remind you of the delightful reason why you don't mind too much.

Scorpio

Oct. 23 - Nov 21

What if we panicked when the weather changed? What if we feared every sign that the world is moving on? You are now worried about something that need not worry you a bit.

Sagittarius

Nov 22 - Dec 21

It is worth putting up with inconvenience for the sake of a reward offered by a passing opportunity. Come Sept., the climate changes. This is your chance to be ready for that.

Capricorn

Dec 22 - Jan 19

If we prepare for a problem at every turn, we may fail to recognize the best when it comes. Recognize and appreciate yours this week.

Aquarius

Jan 20 - Feb 18

This week, you have to decide who you will listen to. If you are going to give trust, give all your trust.

Pisces

Feb 19 - Mar 20

You can see how a policy is bringing a degree of success, but don't assume it would work for you. This week, focus on finding your own way and you'll gain an inspiring insight.
