Crazy weather on Coq BC. Ambulance crews responded to 3

separate accidents on the Coquihalla yesterday, near the Logan Lake exit.

About 11am, a multi-vehicle crash left 8 people injured, including one in critical condition. Just before 1pm, a multiple-vehicle crash led to 3 people being taken to hospital; all of them in stable condition. Then about 1pm, 2 people were taken to hospital by ambulance as a result of a vehicle that rolled over on the highway. Drive BC issued a travel advisor yesterday for that section of highway. Hail, heavy rain, and strong winds made driving difficult.

Letter to the editor

What is wrong with this picture?

Merritt Herald, July 1992: Under Legal Notices, a Vancouver company was making an application under the provisions of the Waste Management Act for a permit for "storage" and to burn and "discharge" "International and Domestic type Municipal Waste, Customs Documents, Agricultural [waste], Waste Oil Filters, Oil Spill Clean Up" and pretty well anything else that could be burned. The applicant was asking for this facility to be sited in Merritt.

Flash back a few years previous, to the Merritt Herald December 12, 1990 and Merritt was the target for a Bio-medical waste plant... and this, after a Toxic Waste Incinerator had already been discouraged.

Flash forward and lo, Merritt is finally online for a bio-burner: this, sanctioned and sheltered under the Green Energy Plan.

Meanwhile, Merritt Herald, June 11, 2015 notes that the "IHA clears Biocentral to spread biosolids on Woodward Road property."

And most recently? Again, under Legal Notices, Merritt Herald July 23 2015, Huldra Properties, Vancouver, has applied for a permit under the provisions of the Environmental Management Act to dump "300,000 tonnes per year" of "silty sand" and "silty silt" from "previous copper and magnetite operations." The dumping to take place "10 hours per day, Monday to Friday" on "wholly-owned brownfield" lots located "on Aberdeen Rd Lower Nicola, BC., approx. 15 kms from Merritt, BC.

Lucky Lower Nicola, lucky Merritt, lucky Nicola Valley: BUILD IT AND THEY WILL COME. —Е. Ann Strong

Hip hop teacher Jake Evans coming to town

Jake Evans, originally from Halifax, will be instructing the urban segment of the 2015 Summer Dance camp.

Although he has built a large performance and teaching resume over the last 17 years, his personal highlights are having his students featured on SYTYCD and other high profile music videos.

Merritt students can expect to learn super funky dance moves and combinations while gaining a clearer understanding of rhythm and connecting to music.

It'll be a fun time & a great work out with Jake, who was here a couple years ago for 2 dance workshops hosted by the NV Community Arts Council.

To register for Summer Dance Camp, visit the dance studio in the Olde Courthouse on July 29 and 30, 10am-5pm or email dance@telus.net

Doctor Problems At an international medical conference, and American, a German and a Russian were discussing the shortcomings of their diagnoses. The American said; "I can't stand it sometimes, "We treat patients for cancer, and they die of AIDS." "I know what you mean," said the German "We treat them for yellow fever; ant it turns out they had malaria." "We don't have that problem in our country," said the Russian doctor. "When we treat patients for a disease, they die of that disease."
