Beginners dancing courses - ladies

Dance your way into a winter-warm glow! Sometimes the smallest step in the right direction ends up being the biggest step of your life. Find the Diva in yourself through dance - confident, fitter & flexible, coordinated, fun-loving. Beginners Dance courses starting in September.

MERRITT MORNING MARKET

MONDAY EDITION - SEPTEMBER 14, 2015 #2767

News, opinion, community events & classifieds since 1996! Box 2199 Merritt, BC V1K 1B8
T (250)378-5717 F (250)378-2025 market@uniserve.com merrittmorningmarket.wordpress.com

Bucket-eye view. Attendees at BC Hydro's substation open house on Saturday were treated to tours of the non-energized new Merritt substation - and 'rides' in one of the 55-foot bucket trucks.

More power to ya

When Merritt's new state-of-the-art substation powers up at the end of October, it will double our hydro capacity, (from 69kV to 138kV) and be able to power 5000 additional homes. And it'll be good for the coming 30 years or more.

Saturday's substation tours were a rare opportunity to see the inner workings of the latest in power technology & automation. And while it has twice the capacity, it is definitely not twice the size of the 50-something year old substation that it will replace. The costs to run it will be comparable to the old one, as it doesn't require any more staff. In fact technicians will be able to remotely operate it from the Fraser Valley, including visuals with a multitude of remote cameras.

The substation is one of the few ultra-modern facilities BC Hydro owns, with technology similar to European equivalents. The big innovation is the gas-insulated switch gears (which feed the power to the different sectors of town.) Gas-insulated - as opposed to air insulated - means they can pack the equipment into a smaller space and provide backup equipment. The 2 transformers (which step down the voltage from 138kV to 25kV to be able to be distributed to homes) are insulated with biodegradable vegetable oil. The entire facility is completely grounded, and the building that houses the GIS switch gears meets the latest standards to withstand a major earthquake.

Cadet open house The Rocky Mountain Rangers Army Cadet Corps will be having an Open House on Sept. 22, 6:30pm-9pm. The community is invited to come and see what the Army Cadets are all about. They will be accepting enrollment for Cadets (age 12-17) and adults wishing to volunteer their time as an Officer or Civilian Instructor. The Cadet Hall is at 1755 Coldwater Ave. FMI contact Debra at 378-6781.

Unfair Payment Carlson was charged with stealing a Mercedes Benz and, after a long trial, the jury acquitted him. Later that day Carlson came back to the judge who had presided at the hearing. "Your honor," he said, "I wanna get out a warrant for that dirty lawyer of mine." "Why?" asked the judge. "He won your acquittal. What do you want to have him arrested for?" "Well, your honor," replied Carlson, "I didn't have the money to pay his fee, so he went and took the car I stole."

THIS WEEK'S HOROSCOPE

<p>Aries March 21 - April 19</p> <p>It may seem that life is a cavalcade of complications, but we are here for something bigger. We can decide to embrace the light and shun the dark. That's all you have to do this week.</p>	<p>Taurus April 20 - May 20</p> <p>We sometimes appear to be moving towards the thing we wish to move away from. But things look daunting when we feel doubtful. This week, events will boost your confidence.</p>	<p>Gemini May 21 - June 20</p> <p>Mercury's retrograde phases are times to rethink old assumptions. If they bring difficulties & delays, they could serve to catch us before making an error and provide a chance to pursue a better path.</p>	<p>Cancer June 21 - July 22</p> <p>You find yourself coming to a series of smart conclusions, and you start to understand something about someone. You also see a way to make better material progress.</p>
<p>Leo July 23 - Aug 22</p> <p>You can go further & faster, if you cast off the heavy anchor of some preconceived idea that has kept you rooted to the wrong spot. Forget old expectations, embrace a new possibility.</p>	<p>Virgo Aug 23 - Sept 22</p> <p>You get a big moment of realisation & recognition that lets you see through things and people. You are no longer deceived by a dream. Nothing but good can come of this.</p>	<p>Libra Sept 23 - Oct 22</p> <p>You need to feel you are making the right decision for the right reason, so gather info & think carefully. It's a rare chance to make an important evaluation. Take your time, trust your instinct.</p>	<p>Scorpio Oct. 23 - Nov 21</p> <p>You are highly principled. Others understand this about you, but you don't always. This week, make that quest for the best the key imperative. Don't apologise for it.</p>
<p>Sagittarius Nov 22 - Dec 21</p> <p>You have great vision & imagination. But this week, you must make the all-too-possible impossible! Don't succumb to false fear or lack of confidence, it is within your power.</p>	<p>Capricorn Dec 22 - Jan 19</p> <p>You have been carrying a burden. While you will not suddenly find the solution, you will find some kind of liberation. The cosmos will let you off the hook. Expect great relief.</p>	<p>Aquarius Jan 20 - Feb 18</p> <p>This week brings a moment where your own recent struggle feels as if it was wholly worthwhile.</p>	<p>Pisces Feb 19 - Mar 20</p> <p>You will feel as if you are on a stage, being watched for your next move or hear your latest proclamation. But the tale now being told is a heroic epic!</p>
