Proposed NV Community Theatre

Unveiling the community theatre

While there's still a long road ahead that will require the whole community to pull together to fulfill the dream of a theatre & cinema, the project took a giant step forward yesterday with the unveiling of architectural concept drawings.

Architect Chris Allen from Landform Architecture + Build Design in Penticton presented preliminary drawings and design to the NV Community Theatre Society board for the 14,000 square foot building, to be located at the corner of Coutlee Ave. & Garcia St. The building will house a 250-seat multi-purpose theatre/cinema, and 3 smaller cinemas that would seat 100 each. There would also be a community room, lobby & concession.

Prior to finalizing the plans, there is still some flexibility to accommodate certain specific features that possible user groups might require. And the society's board would like to hear from any groups that might like to get involved. They say it's a final opportunity to have a say & accommodate like-minded activities. A public meeting will be held Wed. Oct 28 for a presentation to the community. In the meantime, to get involved contact Kurt 378-4909 or go to www.nicolavalleycommunitytheatresociety.com/

Many thanks

...to the Centennial hockey players: Cole Arcuri, Tyrell Buckley, Ryan Finnegan and Cole Woodliffe for their help loading a trailer at the Hospital Auxiliary Thrift Shop. Your help was much appreciated.

Marriage Counseling A couple attended marriage counseling to resolve communication problems. The fighting and bickering during the session was so bad the counselor called for a timeout and told them he was ending the session early but had an assignment for the husband. "John," the marriage counselor said, "you're an athletic guy... here's what I want you to do. I want you to jog 10 miles everyday for the next 30 days. At the end of the 30 days call me and let me know how things are going." John agreed. At the end of the 30 days, John called the marriage counselor very excited. "I did just as you said and I have never felt better in my life!" he exclaimed over the phone. "Great!" replied the counselor, "And how's your wife?" John paused and then replied with agitated dismay, "How should I know, I'm 300 miles from home!"
