## **Merritt & TNRD's official** support for TransMtn

As part of the National Energy Board Hearing for the Trans Mountain Expansion Project, 400 Intervenors and more than 1,250 Commenters have been granted status to provide evidence and commentary.

Excerpted from a Commenter letter filed to the NEB on August 10, 2015 by the City of Merritt, British Columbia.

'The Trans Mountain Pipeline has been located within the Thompson Nicola Regional District for over 60 years extending 500 kilometres from Alberta in the North to Kingsvale in the South with an exceptional history of corporate citizenship, pipeline safety and emergency response.

'The Trans Mountain Expansion project will bring economic opportunities to the Thompson Nicola Regional District through local investments, property taxes, landowner compensation and regional employment during both the construction and operational phases.

Last week, the National Energy Board released a new and revised hearing steps and process, which includes an excluded period ending on January 8, 2016. The time limit for the NEB to issue its report to the Governor in Council is now May -www.transmountain.com/
