14,000 marijuana plants discovered

On Friday, Merritt RCMP attended at a location near Skuhun Creek FSR off highway 8, approx. 60 km west of town, where a hiker in the area had stumbled across several thousand marijuana plants growing in the forest on crown land.

RCMP located approx. 14,000 plants in the final stages of growth, ready to be harvested. The plants were seized and destroyed over two days with the assistance of Merritt Fire Rescue.

Police say the set up was very sophisticated for an outdoor grow operation and included soil cultivation and irrigation. The estimated street value of the plants is \$10-12 million.

No charges have been laid at this time and the file is still under investigation. Information on this or any other crimes can be reported to Merritt RCMP or Crime Stoppers at 1-800-222-8477.

Advance voting chaos

“Dozens of people from Merritt, the Nicola Valley and Logan Lake were denied their democratic right to vote by Stephen Harper’s cuts to Elections Canada,” said Harry Lali, the former BC Minister of Transportation and Highways and 4-time local MLA.

The Advance Polling Station in Merritt ran out of ballots Monday, the last day for advance voting in Merritt. Elections Canada supplied only 250 ballots for the final day when the turnout was as actually larger than the first day of advance polling, with 420 people coming out to vote. 350 electors voted on Friday.

“The same happened in Revelstoke”, said Lali. “If it happened in Merritt and in Revelstoke, then it must have happened across Canada.”

Lali remarked: “It is unbelievable that dozens of people were turned away in Merritt and asked to come back on General Election Day to vote. I was at the Merritt polling station at 7:20pm last night [Monday] and witnessed about 15-20 people turned away myself. “

“The fault for the chaos at Elections Canada lies squarely at the feet of Harper and the Conservatives. Harper made huge cuts to Elections Canada, and the chickens are coming home to roost.”

“First, the Conservatives cut the number of polling stations in many towns and villages across the country, such as no Advance Poll in the Municipality of Logan Lake. Second, not enough polling booths and staff were made available at these polling stations, thus creating long line-ups for voters. Third, many voters in rural Canada were told to vote in polling stations as far away as 500 kilometres. Finally, Harper’s cuts denied voters their right to vote in advance because sufficient ballots were not provided.”

Harry Lali is the Nicola Valley and Logan Lake organizer for Angelique Wood, the NDP Candidate for Central Okanagan-Similkameen-Nicola.

Poppy Campaign

Poppy time will soon be in full swing, starting Oct 27th. All members are encouraged to sign up for a couple of hours on Fri. Oct 30 & Fri. Nov 7. Rocky Mountain Rangers will man the tables both Saturdays. And organizers are hoping other youth groups will give a helping hand on Sunday Nov 1 & 8. The tables will be at Coopers, Extra Foods & Walmart. For wreath orders please call Mo Dixon or the Legion. Money collected during the Poppy Campaign is used exclusively for veterans, the two Cadet Corps & Honour House, where returned servicemen and women receive much needed help with their injuries and PTSD. The need is ongoing. The Legion also helps support the George Darby Center in Vancouver, and many medical foundations helping veterans young & old.

Lawyer Bill

A man was checking his itemized lawyer’s bill. One item read: Spotted you across the street. Crossed over to discuss a legal point in your case. When I got there it was not you after all. 20 dollars.
