Halloween police report

Between October 31 and November 2
Merritt RCMP responded to 50 calls for
service. They say that Halloween
evening was uneventful apart from nu-
merous calls about fireworks being set
off all over town, which were disruptive
to animals and loud noise complaints.

Members also responded to several
calls of intoxicated fights at the Coldwa-
ter pub and at 7-11, with minor injuries.
No charges are being laid.

Stolen truck recovered in Kelowna

At 10am on Saturday October 31,
Kelowna RCMP recovered a vehicle, a
black dodge Dakota, which had been
stolen from Jackson Ave. in Merritt some-
time overnight. There are no suspects or
witnesses at this time.

Fire set to homeless camp

On October 31, Merritt RCMP and the
fire department responded to a call of a
tent fire on the Nicola River, near Lions
Park where a man has been residing for
several weeks now. There were reports of
youth setting off fireworks in the area at
the time of the incident, and a report had
been made several days earlier of youth
setting off fireworks at the male's tent
and had burnt several pieces of his equip-
ment. Files are still under investigation.

Razor blades given out at Halloween

On November 2, police received a
complaint of razor blades found in some
Halloween candy in the Diamond Vale
area. The incident was reported to police
after having been seen on facebook over
the weekend. It appears that an 11-year
old found 2 razor blades sheathed in
their packaging inside a prepared ziploc
bag with other candy on Halloween
night. The blades were not concealed in
any candy or wrapping and no injuries
were sustained. It is unknown where the
blades came from. This is a rare occur-
rence on Halloween but parents are al-
ways reminded to check their children's
treat bags and ensure that candies are
wrapped and safe.

If anyone has any info on any of these
incidents, they are asked to contact the
Merritt RCMP or Crime Stoppers.

Smoke visible from open burning

Current weather conditions allow pri-
vate landowners, BC Wildfire Service
personnel and industry partners to re-
duce wildfire risks by burning piles of
wood debris. Over 1,665 burn registra-
tion numbers have been issued in the
Kamloops Fire Ctre in recent weeks, and
these burning projects may occur until
restrictions come into effect again next
spring. However, burning is permitted
only on days when the venting index in-
dicates that there is good ventilation and
the smoke will disperse quickly.

Check out the Ministry of Environ-
ment's website for a list of materials that
cannot be burned. Venting index info and
tips about burning safely are available at
www.bcairquality.ca/topics/burning-
outdoors.html

Operation Get Home Safe The parents of Merritt Army Cadets are offering a service
of Operation Get Home Safe to organizations hosting events. 100% of the proceeds
raised during your event will go back to the Local Merritt Army Cadets. A donation
of \$10/in town & \$15/out of town (Lower Nicola and Upper Nicola) per vehicle is
paid for by the clients using the service. The company hosting the party would present
a Gas Card of \$80 to volunteers. FMI Tracy 378-4722 or Deb 378-6781.

Pets on Planes While working as an airline customer-service agent, I got a call from a
woman who wanted to know if she could take her dog on board. I told her the dog
was welcome, as long as she paid a \$50 charge and provided her own kennel. I fur-
ther explained that the kennel needed to be large enough for the dog to stand up,
sit down, turn around and roll over. "I'll never be able to teach him all that by tomor-
row!" the customer complained.

Planned power outages

Hydro has scheduled a series of short
outages while they transfer us to the new
substation. Portions of the city and sur-
rounding area will be affected by each out-
age. As of yesterday, they were scheduled
for Nov 5 10-11am & 2-3pm; and Nov 7 3-
8am. [Ed.: thanks to a reader who realized that
I don't read 24-hr schedules very well!]
