**Little Johnny & English Class Teacher:** "Little Johnny, give me a sentence using the word, 'geometry.'" Little Johnny: "A little acorn grew & grew until it finally awoke one day & said, 'Gee, I'm a tree.'" **School Theater** Billy's father picked him up from school to take him to a dental appointment. Knowing the acting roles for the school play were being posted that day, he asked Billy if he got a part. Billy enthusiastically announced that he'd gotten a part. "I play a man who's been married for 20 years." "That's great, son. Keep up the good work and before you know it they'll be giving you a speaking part."

## THIS WEEK'S HOROSCOPE

**Aries**  
March 21 - April 19

Most of us find that what we give out, is what we get back. If now, you're getting what you wish you weren't getting, just give back more of what you wish you were getting instead!

**Taurus**  
April 20 - May 20

Who are you now inclined to make some time for - or to go to some trouble on behalf of? You feel as if you can't do enough now to assist a particular person. Trust that instinct.

**Gemini**  
May 21 - June 20

Do we start closing our minds, ears & eyes to subtle signs that might relay a different message if we had enough sensitivity to detect it? There is a chance to make a delightful discovery.

**Cancer**  
June 21 - July 22

'It is in giving that we receive'. Open your heart and your mind this week, and you will soon be surprised and inspired by the happy events that naturally ensue.

**Leo**  
July 23 - Aug 22

To improve a slightly problematic aspect of your personal life, the best way to accomplish this probably involves not standing your ground but giving a little of it.

**Virgo**  
Aug 23 - Sept 22

You are eager for progress in a sensitive area of your emotional life. Don't dwell too long on thinking it is unattainable or you may miss an opportunity as it suddenly arises.

**Libra**  
Sept 23 - Oct 22

It's not: 'You're nobody till somebody loves you...' You are who you are now. And you will be loved, this week, for who you are and what you are.

**Scorpio**  
Oct. 23 - Nov 21

This week is not about whether something may increase or decrease your appeal in someone else's eyes. Just work on being the best person that you know how to be.

**Sagittarius**  
Nov 22 - Dec 21

It's not just that things somehow turn up just when you need them to; people come into your life at the right moment too. You just have to be open to opportunity when it presents itself.

**Capricorn**  
Dec 22 - Jan 19

Make free with the benefit of the doubt now. Think only the finest thoughts about someone and their behaviour will automatically reflect their intuitive recognition of this.

**Aquarius**  
Jan 20 - Feb 18

Where there is conflict in your life now, there is a chance to heal and strengthen a bond. All that's required is a conversation: listening, caring and supporting, not just proving points.

**Pisces**  
Feb 19 - Mar 20

When making any journey through the realm of the heart, there is much to be said for trust. Don't raise your defences, lower your guard and all will be well.
