MERRITT MORNING MARKET

WEEKEND EDITION – DECEMBER 4, 2015 #2800

News, opinion, community events & classifieds since 1996! Box 2199 Merritt, BC V1K 1B8

End of cold snap

The Arctic air that brought chill temps (down to -15°C) this past week has reversed. Now steady warm, wet wind from the Pacific has sent the thermometer rocketing into the balmy 8°C range. And over the next day or so, it is expected to bring 20cm of snow to the Coquihalla summit & 15cm to the Connector.

Environment Canada says the valleys will remain warm through next week, and the snow level will rise to 1200m — well within the range of the ski hills.

Spirit of giving

BreatheBikes Christmas bikes

At this time of year, when giving and generosity can seem to be at odds with consumerism and making money, BreatheBikes wants to do its part to ensure that every kid who wants a bike, gets one, without the barrier of bottom line concerns.

Travis Fehr at BreatheBikes has a stash of bikes available for kids... some are trade-ins and many have been donated. He is now tuning them up and repairing as needed: bald tires and broken parts replaced, to provide a safe, fully-functional bike.

Anyone can stop by for a look and let Travis know if you need one. He is requesting a donation to cover the some of the cost of parts & labour, in any amount that works for you. Though, he says, if a donation is not available, it's not problem!

Travis also has new bikes & cool gear — great gifts & stocking stuffers. Nordic ski rentals, waxing and accessories are also available at BreatheBikes.

Stop by, in the alley behind the Thrift Shop, 936-9702, www.breathebikes.ca

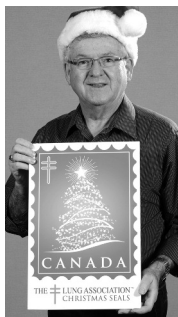

Christmas Seals

Volunteer BC Lung Assoc. Director Richie Gage is again the local poster boy for the Assoc.'s Christmas Seals campaign.

Since 1908, Canadians have made a difference in the lives of people with lung disease by supporting the Christmas Seals campaign. At first, they helped in the fight against tuberculosis (TB). Today, Christmas Seals and the work of The Lung Association extends to chronic lung diseases like asthma & chronic obstructive pulmonary disease (COPD), preventing tobacco use, & advocating for healthier air quality.

"Christmas Seals are a symbol of hope," says Richie. "We thank all of our donors for their generosity and ask Canadians who are concerned about healthy lungs and healthy air to give generously to the Christmas Seals campaign.

To make a donation or FMI, call 604.731.5864 or 1.800.665.5864, or visit www.bc.lung.ca

Parked Cars in the Snow It had been snowing for hours when an announcement came over the intercom: "Will the students who are parked on University Drive please move their cars so that we may begin plowing." Twenty minutes later there was another announcement: "Will the twelve hundred students who went to move 26 cars please return to class."

Cliches An Englishman, an Irishman, and a Scotsman walk into a bar. The bartender turns to them, takes one look, and says, "What is this - some kind of a joke?"

Lion Tracks "Look, guide, here are some LION tracks." "Good. You see where they go and I'll find out where they came from."
