COLOURING RELEASES STRESS! ~ HAPPY WINTER SOLSTICE!

Moose poacher handed hefty fine

A Vancouver man has been found guilty of shooting a bull moose out of season in the back country near Merritt, BC, leading to costly fines. In 2013, two hunters spotted Xin Yue Xiao, 49, and a companion trying to load the carcass of a bull moose into the back of a pickup truck. It was out of season to shoot bull moose, so the hunters took down their licence plate and called the conservation service.

Last week, a provincial court judge found Xiao guilty of poaching the moose out of season and fined him close to \$8,000. But the largest financial hit comes from the civil forfeiture of the 2013 Ford Raptor truck he was driving. It's probably the most expensive moose ever shot in BC. In total, the fine was in the neighbourhood of \$37,000.

Comm. Economic Devel't Initiative

Individuals representing key community stakeholder groups and businesses — including the Chamber of Commerce, Community Theatre Society, Tourism Nicola Valley, Community Futures, Rockin River Music Fest, Canadian Country Music Heritage Society and various arts groups — have created a working group called the Merritt & Nicola Valley Community Economic Development Initiative (MNVCEDI). The mandate is to work together to create a viable and sustainable community economic development plan that outlines the processes and infrastructure required to reach core community goals that improve the social, economic and environmental situation for the entire community. The group approached City Council, as it feels it is imperative that the City appoint a representative, a councillor or employee, to ensure accurate communications and active participation.

The Proposal Jeff had gone to propose to his girlfriend and returned home crying bitterly. "What happened, son?" his father asked, eagerly awaiting her response. "Did she accept?" "No, she sure didn't," sobbed Jeff. "When I told her what you advised me to say, she slapped my face and told me to get out." "Did you begin by telling her what I told you to say, what I told your mother when she accepted my proposal? 'Sweetheart, time stands still when I look in your eyes.' Did you tell her that?" asked his father. "Oh boy, Dad, did I got it all wrong," Jeff groaned. "I said, 'My dear, you have a face that would stop a clock!'"

THIS WEEK'S HOROSCOPE

Aries
March 21 - April 19

We all believe something, even if we believe ourselves to be unbelievers! Believe something good about yourself this week, because whatever you believe... will be your reality!

Taurus
April 20 - May 20

Perhaps you feel jaded because a less than ideal syn-drome (Christmas) seems to be repeating itself. Happily, Jupiter promises a big change in your favour this week.

Gemini
May 21 - June 20

Friday a positive alignment between Mercury & Jupiter will shape & colour your week ahead, in much the same way as many will find the coming week affected by the festival at the end of it.

Cancer
June 21 - July 22

Full Moons can be times when powerful passions are awakened and fulfilled. Focus now on what makes you feel joyful, not fearful, and all will yet be well.

Leo
July 23 - Aug 22

You can be the living embodiment of generosity and joviality, even without a reason to spread cheer. If you do follow this impulse, you will yet create a reward that justifies it all.

Virgo
Aug 23 - Sept 22

Be alert to a development that comes out of the blue and has great significance. Something surprisingly good can potentially turn around a big part of your life this week.

Libra
Sept 23 - Oct 22

You may feel that you would prefer to be the beneficiary of generous gestures rather than the person who is expected to make them. St Francis said, 'It is in giving that we receive.'

Scorpio
Oct. 23 - Nov 21

Hidden passions that have come to light; intense & exciting exchanges; the sense that something delightful is possible. That's not just the magic of Christmas, it remains all week.

Sagittarius
Nov 22 - Dec 21

You have a marvellous eye for nuance and you love to learn. Life never runs out of new tricks to teach you. You will profit greatly from all you discover this week.

Capricorn
Dec 22 - Jan 19

The festive season will not be without trials & tribulations but you will rise to every challenge and transcend any aggravation with your calm, clever, poised, practical personality.

Aquarius
Jan 20 - Feb 18

Events have you concerned & thinking the best you will be able to manage is to keep up appearances of cheerfulness, while part of you worries. But a favourable situation could still emerge.

Pisces
Feb 19 - Mar 20

Something is putting you under pressure this week. A mood of urgency is triggering anxiety but all is due to resolve itself surprisingly well.
