EWR shelter season at half-way mark

At the halfway mark of the Extreme Weather Response season, volunteering invariably starts to wane, according to Housing First Coordinator Amery Schultz.

He's hoping volunteers will continue to give of their time in the coming 8-10 weeks. "I am sure you will find it rewarding in more ways than one", he says. This year, to recognize volunteers, a volunteer incentive program has been implemented — a token of appreciation for all the hard work.

You can volunteer as much or as little as you like, simply stop by the shelter (1937A Quilchena Ave) any evening after 5pm and see what shifts are available that fit your schedule. Or contact Amery by calling 280-6101, or emailing amery@nvsss.org

New year, fresh start!

2016 has a good chance at being a great year! And none other than Stephen Bronfman thinks so, too.

"In November, Canadians were introduced to their impressive, talented, new cabinet made up of an equal number of women and men.

Our govt restored the long-form census, and gave scientists & diplomats the right to speak freely again. And started to securely welcome 25,000 refugees to Canada.

It took the message that 'Canada is back' to the world in high-profile international meetings from the G20 in Turkey, APEC in Manila, and the Commonwealth Leaders Summit in Malta.

And it showed that Canadians from all provinces and territories, as well as the federal government, can work together and speak as one in the fight against climate change, first as the premiers met here in Canada, and then on the world stage, at the Paris Climate Summit.

And [last] month, in a Parliament, where a new Speaker, and a new tone reign, one of the party's top election promises was passed: a middle class tax cut."

*It was Jan. 21, 2013,
during the party
leader contest that
(now PM) Justin
Trudeau made a stop
in Merritt. Pictured
here with Donna
Morrison*

How Do You Describe Me? Wife: "How would you describe me?" Husband: "ABCDEFGHIJK." Wife: "What does that mean?" Husband: "Adorable, beautiful, cute, delightful, elegant, fashionable, gorgeous, and hot." Wife: "Aw, thank you, but what about IJK?" Husband: "I'm just kidding!"
Position To Pray Three preachers sat discussing the best positions for prayer, while a telephone repairman worked nearby. "Kneeling is definitely best," claimed one. "No," another contended. "I get the best results standing with my hands outstretched to Heaven." The third insisted: "The best is lying prostrate, face down on the floor." The repairman could contain himself no longer. "Gentlemen," he interrupted, "the best praying I ever did was hanging upside down from a telephone pole."

THIS WEEK'S HOROSCOPE

Aries
March 21 - April 19

With the start of the new year, we have to actively help each other experience 'Happy New Year'. Someone is doing their best to assist you in this regard now.

Taurus
April 20 - May 20

We make a better impression if we show that we are sensitive to people's more subtle fears and feelings. Kind words & small, supportive actions can have more of an impact.

Gemini
May 21 - June 20

There is a chance to reflect on where you are & where you'd like your life to take you. Time to revisit an exchange in your emotional life that is unsatisfactorily unresolved. Healing can happen.

Cancer
June 21 - July 22

If you find yourself in an unexpectedly fraught exchange, reach back for the spirit of seasonal goodwill. It can be reclaimed and applied with great advantage.

Leo
July 23 - Aug 22

If we could make resolutions for others, we might improve our own lives, too. But it cuts both ways! The challenge now in your life involves learning to love what can't be changed!

Virgo
Aug 23 - Sept 22

'What has to happen now, has to happen. Learn to be glad of it.' Look at developments in your emotional life now. Don't reject what you ought to be glad of.

Libra
Sept 23 - Oct 22

A sense of generosity, of largesse, warmth, trust and optimism will start to well up in your heart. As long as you share the positivity, others will respond to you.

Scorpio
Oct. 23 - Nov 21

A discovery in your emotional or personal life, sets 2016 off to an intense start. But it is not intensely difficult; it is intensely delightful.

Sagittarius
Nov 22 - Dec 21

If you feel you start 2016 with one outstanding emotional issue unresolved, fear not. Here's where that clears itself up.

Capricorn
Dec 22 - Jan 19

As you look at your circumstances, you must concede they could be worse! What you don't yet know, but will soon find out, is how much better they are about to get.

Aquarius
Jan 20 - Feb 18

Perhaps a sense of urgency is exacerbated by someone with whom communication is a bit strained. Imminent resolution of conflict will soon help you relax about this & many other troubles.

Pisces
Feb 19 - Mar 20

A reassuring development will occur. You are loved, admired & respected, more than you may realize. The more positivity you allow yourself to share now, the more will come to you.

A World of Influence

A worldview of quilts from a small town

Kim
Leclair
has lived in the
Nicola Valley
for more than
two decades.
With a back-
ground in
interior design,
Kim has
transformed
her love of
textiles —
particularly
hand-made
ethnic hand-
work — into an
overlapping
eclectic
collection of
fabrics as well
as her own
quilt library
not easily
pieced from
new & thrifted
fabric. The world
of textiles that
filters into the
valley heavily
influences
Kim's quilting
adventures.
