Info meeting Public access on BC lakes

If you've followed the activities of the NV Fish & Game Club at all, you'll know that a core group of members is fighting a big fight, one that could take years to resolve. On Wed., January 13, 7-9pm, they will hold a public information meeting at the Civic Centre, to make the community aware of what's going on.

Spearheaded by Rick McGowan, an avid outdoor adventurer & retired Dept. of Hwys employee, the group is appealing to the provincial government to keep public the access to BC lakes — the public roads and the public lakes.

Over the past year, while their legal case against Douglas Lake Ranch to keep public the roads that access Minnie and Stoney Lakes is in the works, members of the group have been arrested — once for trespassing (charges which were thrown out of the court) and last month for 'mischief' (charges which the accused hope will go the same way).

These arrests have occurred while they've been ice fishing on Corbett Lake, a public lake at the edge of a public highway right-of-way, according to Rick.

They believe it's their right (maybe even duty) to fish there, though the owners of Corbett Lake Lodge disagree and to date have the local RCMP on their side. There will be lots of interesting information & facts that will be given at the meeting. Everyone welcome, light refreshments provided.

Shoulda Said This guy walks into a bar with his golden retriever. "Hey, can I get a drink on the house if my dog talks for you?" "Dogs can't talk, pal. But if you can prove to me yours does, I'll give you a drink. If not, you're going to get a beating." "Okay," says the guy. He turns to his dog. "Okay, fella. Tell me -- what is on top of a house?" "Roof!" The man turns and smiles at the bartender. "THAT ain't talking! Any dog can bark!" "Okay, boy. Tell me -- how does sandpaper feel?" "Ruff!" "What the heck you tryin' to pull, mister?" "Okay, okay," says the man. "One more question, please. Okay, buddy, tell me -- who is the greatest ball player who ever lived?" "Ruth." The bartender beats the heck out of the guy and throws him onto the sidewalk outside of the bar, then throws the dog out next to him. The dog stands up and looks at the guy. "Wow. Maybe I shoulda said DiMaggio?"

THIS WEEK'S HOROSCOPE

Aries
March 21 - April 19

We read too much into too little, then let this guide our lives. Watch for that this week. Trust what you're sure of. And be sure of yourself!

Taurus
April 20 - May 20

Don't underestimate the importance of what's happening this week. The resolution of a long drama is near. In the meantime, ride out the storm, it will get you where you need to be.

Gemini
May 21 - June 20

You can improve a situation that has been inadequate for too long, once you recognize there are certain duties that only you can honour. Accept support where it is offered... but trust in yourself.

Cancer
June 21 - July 22

It is important to remember this week that, even if you are not perfect, you have nothing to apologise for and every reason to expect success.

Leo
July 23 - Aug 22

you suspect that there may be more to a certain story than meets the eye. Trust that inkling. Continue to ask smart questions and you will get helpful answers.

Virgo
Aug 23 - Sept 22

Three Cheers! Problems are not about to vanish in a puff of smoke... but even your greatest sources of hassle will get easier to deal with.

Libra
Sept 23 - Oct 22

You are anxious lest you have ended up in the wrong situation and are doing the wrong thing. But what's happening now is right.

Scorpio
Oct 23 - Nov 21

You have strength, determination and potential. Now it's a question of aiming well so that when the moment comes, this week, to make your move, you hit your target.

Sagittarius
Nov 22 - Dec 21

several fascinating discoveries begin to be made. Be open to new possibilities and you'll see some truly inspiring ways to proceed.

Capricorn
Dec 22 - Jan 19

In an area that's neither material nor physical, someone is attracted to the idea of a 'quick fix'. There needs a thorough review and careful reconstruction. Believe in the best this week.

Aquarius
Jan 20 - Feb 18

Don't be too hard on yourself. Look this week, at what's good and at what could be made good! This week promises inspiration and success!

Pisces
Feb 19 - Mar 20

Why can't you just go with what inspires you and what you sense to be right? You can! Save yourself the stress of self-doubt. Trust yourself this week.
