MERRITT MORNING MARKET

MIDWEEK EDITION — JANUARY 27, 2016 #2819

News, opinion, community events & classifieds since 1996! Box 2199 Merritt, BC V1K 1B8
T (250)378-5717 F (250)378-2025 market@uniserve.com merrittmorningmarket.wordpress.com

Baillie House is the most welcoming

September through December 2015 was the last quarter of the Baillie House's busiest year in their 11-year history as Merritt's visitor info booth. In that period, they hosted nearly 6400 visitors. That's up 14% over 2014.

Over the entire year, more than 23,300 visitors stopped in, an almost 11% increase over the 12,234 in 2014, (and as compared to 10,068 in 2013).

Because of the warm welcome that staff & volunteers give every visitor, 2015 saw the Baillie House as the number 1 attraction in Merritt on *Trip Advisor*. And with complementary delicious home baking and tea & coffee always on, they provide visitors as welcoming a place as most have ever stopped at. Visitors consistently report that there is no other visitor information booth like the one that the NV Heritage Society has created here in Merritt.

Staff have been keeping detailed stats, and have found that 72% of the visitors were from BC, as people continue to travel closer to home and see what their province has to offer. The rest were from Alberta (12%), Europe (6%), Asia/Australia (4%), the rest of Canada (3%), and the US (3%). And they have found that this break-down is relatively stable from year-to-year.

For the local community, Baillie House continues to be a hub and a beautiful green space in our downtown area. The BC Ambassadors have used the property during their events for years, as well as the local schools. Many other groups book activities on the property: the Film Society, churches, art gallery, community gardens, museum, and many others. And with the focus of the farmers market shifted from Garcia & Coutlee a few years ago, the Baillie House enjoys a higher profile each Saturday morning. Though not the least is their reputation for a great vintage shop & ongoing garage sale in the house during the spring & fall.

The Baillie property is perhaps Merritt's best foot forward, with friendly staff & volunteers who make our townm, for many, the most memorable stop.

New approach towards dog responsibility

This past year, with the arrival of our new bylaw officer Elizabeth Bigg, the City has been making inroads to promoting better animal wellbeing, and education for dog owners.

Elizabeth reported that she has been stressing the importance of dog licensing, and was able to increase dog license sales significantly — 503 in 2015.

Elizabeth also has ties to the Kamloops BC SPCA, and has been working with them, especially to enhance the pound. Thanks to them, she has been able to hand out leashes and collars to residents who have been seen walking their dogs without a leash, as well as residents picking up their pets from the pound without leashes. The SPCA has also been donating blankets, toys, canned food and dog treats, on a regular basis, for better stays for the 46 dogs that were impounded last year.

What's the difference? What's the difference between USA and USB. One connects to all your devices and accesses your data, the other is a hardware standard.

Diagnosis While making the rounds, a doctor points out an X-Ray to a group of medical students. As you can see," he says, "the patient limps because his left fibula and tibia are radically arched. What would you do in a case like this?" One student pondered for a second & answered, "I guess I'd limp, too."
