### **Eileen Aljam** Sept. 5, 1955 - Jan. 8, 2016

It is with great sadness that we regret to announce the sudden death of Eileen Aljam, on January 8, 2016 in Merritt, BC.

After a short battle with cancer, Eileen passed away leaving behind her partner David, daughters Tracey, Manie, Dion, Jackie and son Tyson, many grandchildren, her brothers and sisters, nieces and nephews, cousins and many friends.

Eileen had worked at the Coldwater School for over 30 years as a teacher's assistant. Many students from her early years have grown to become parents themselves and their children are now students themselves that she has taught in school. She was a hairdresser at Freedom Designs for over 3 years, many years ago. A renowned caterer, she had a passion for cooking and baking for people, especially for her family. To this day, there are companies still calling for her to cater.

She is dearly missed by many. Forever in our hearts.

# Merritt population growth est. at 1.9%

Merritt is listed via BC Stats as one of the fastest growing communities in B.C., according to the 2015 Municipal Population Estimates, released last month.

Merritt's population growth is estimated to have risen from 7469 in 2014 to 7610 in 2015, a 1.9% increase making it "the second fastest growing community in the Thompson Nicola region. Sun Peaks had the largest population increase at 4.9% from 2014 to 2015."

Kamloops' modest 0.6% population increase translates into 541 people, whereas Merritt's 1.9% works out to 141 people. And Sun Peaks' huge increase amounts to 22 people, as the municipality's population rose from 448 to 470.

Of the only 3 other cities in BC that have 7000-something people like Merritt, Castlegar's population rose by 144 people for a similar increase to ours, 1.8%. The others — Revelstoke & Trail — both lost up to 20 people.

Will George, City of Merritt's new Manager of Business and Economic Development commented "It is great to see we have had a steady population growth over the last few years, not many communities can say that.

"Population growth is a key factor while attracting businesses and investment to the area. Continued population growth over consecutive years has positive effects throughout the community. New residents offer a wide array of skills and fresh ideas into developing the region."

Over the years, Merritt's population has fluctuated: in 1981 it was 6110; 1986 it was 6189; 1991 it was 6898; 1996 it was 7631. Then it plummetted in 2001 down to 7088 (round the time Weyerhauser closed), and in 2006 down to 6998 - based on censuses. It began inching back up: 7195 in 2011; 7236 in 2012; 7327 in 2013; 7469 in 2014; and 7610 in 2015, based on BC Stats population estimates.
