Telus' fibre launched

Big ribbon-cutting at the Telus learning centre in City Furniture on Friday, as Telus' fibre optic city-wide upgrade wraps up and their new white-hot fast service goes online.

Merritt is the first in BC, and 1 of only 3 municipalities in Western Canada to enjoy a 'full-build' and 150Mbps download speeds (equivalent to downloading a 3.5 GB HD movie in 4 minutes).

What makes Merritt unique is that every home is pre-connected, whether you intend to sign up with Telus' new service or not. Those pre-existing connections mean that account changes & new hook-ups, such as with rental units, are quicker than ever before.

City Furniture has enlarged Telus' space in their premises, for a discovery & learning centre, also a first.

And as part of their 'give where we live' program, Telus has donated \$1000 to the NV Community Theatre Society's efforts to build a cinema/theatre in Merritt.

Board members of the NV Comm. Theatre Society accept the \$1000 donation from Telus, at Friday's fibre celebration.

Avalanche preparedness

After this weekend's avalanche tragedy, Avalanche Canada's warning is still in effect.

"We are urging British Columbians and visitors to our beautiful province to take great caution when exploring outdoors. Be aware of the snow conditions in the area before heading out — check the forecast at www.avalanche.ca — take an avalanche skills training course and take the proper gear (transceiver, probe, and shovel). This won't eliminate the risk, but it will increase the chances for returning home safely," said Hon. Naomi Yamamoto, Minister of State for Emergency Preparedness

NV Farmers Market agm

THIS WEEK'S HOROSCOPE

Aries
March 21 - April 19

The distinction between a minor nuisance & potential source of major trouble, is not always clear. Don't spend too much time responding to challenges which, if left alone, might just go away.

Taurus
April 20 - May 20

Not uncommon to experience moments of doubt. Or, an unrelated development that causes you to wonder if you are on the right track. Be brave this week, and carry on.

Gemini
May 21 - June 20

An effort made, even in error, or if applied to a poorly chosen task, always somehow magically brings us closer to reward. Just do your best this week, then relax.

Cancer
June 21 - July 22

You may find it hard, given this week's developments, to persuade yourself that the universe is anything other than on your side.

Leo
July 23 - Aug 22

However hard existence may at times seem to be, the universe wants to support us as best it can. Events, this week, offer you the chance to benefit from a gesture of largesse.

Virgo
Aug 23 - Sept 22

Soon, you'll see the enormity of a situation and recognise the true intensity of it. This will bring clarity and a sense of inspiration as you see what needs to happen next.

Libra
Sept 23 - Oct 22

Playing it safe is all well and good, until life presents the kind of opportunity that can only be seized with a willingness to take some small gamble. Nothing ventured, nothing gained.

Scorpio
Oct. 23 - Nov 21

Is this the right time or the wrong time? No one can relieve you of the responsibility, the choice has to be yours. But bravery, this week, will not go unrewarded.

Sagittarius
Nov 22 - Dec 21

Why does anyone make more effort than they need, unless they care so much about the outcome that they feel almost obliged to put all they've got into it. This week, feign nonchalance

Capricorn
Dec 22 - Jan 19

You always resist accidentally succumbing to self-deception. But this week, you may have to extend a rescue branch to someone who is now up to their neck in that quagmire!

Aquarius
Jan 20 - Feb 18

Life puts you in positions that trigger sensitive reactions, and bring out your hidden tender side. Be honest and sincere and all that now seems a worry, will become a source of relief.

Pisces
Feb 19 - Mar 20

Revisit an old agreement, arrangement or contract. Is everyone still honouring the spirit of that plan? Don't worry, but be inspired by your chance to get things set straight.
