Alfred Jacob Werbowsky

May 6, 1957 - February 16, 2016

It is with great sadness that we announce the passing of our dear Al at Gillis House, Merritt, BC on February 16, 2016 at the age of 58.

Al courageously fought cancer but couldn't win. He is now at peace.

Al was born in Kamloops, lived in Little Fort, Brookmere, Hope and Lower Nicola. Al spent his school years in Hope. In 1976 he moved to Merritt to work for Nicola Valley Sawmills-Tolko where he worked for 35+ years. In Merritt, he met the 'love of his life' Lizzy Huston.

Leaving behind to remember Al are his loving wife Lizzy, his son Lloyd, his parents Bob & Diane Werbowsky, his brothers: Ralph (Debbie), Olaf Duemler (Helen), Klaus Duemler (Martina), Harley and dear Chico. He also leaves many sisters and brothers in-law, nieces and nephews, and friends who lovingly remember him.

A Celebration of Life for Al will be held on March 5, 2016 in Lower Nicola Community Hall at 11:30am.

A special thank you for the loving care that Al received while in Gillis House. In lieu of flowers, donations can be made to Merritt and District Hospice Society.

UNESCO's International Mother Language Day - Feb 21, 2016

tweetmotherlanguage.org

"Forty years ago, there were 6,000 languages spoken on the planet. Now, half of those languages are gone and are no longer being whispered into the ears of children. On Turtle Island, of the 300 Indigenous languages that were originally spoken only 30 are now spoken by children. And every two weeks, somewhere on earth, a fluent language speaker, one of our beloved Elders, dies, carrying with them the words of their ancient language and all the traditional teachings once expressed by them. In Canada, Indigenous languages are the true gems of this land, spoken nowhere else. Yet only three Indigenous languages are predicted to survive - Cree, Ojibway and Inuktitut.

UNESCO has designated February 21 as International Mother Language Day. This year's theme - 'quality education, languages of instruction and learning outcomes' - reminds us that language rights are human rights and that all efforts, including education in and outside the classroom, are needed to support and strengthen our languages. All children, including Indigenous children, have the right to be educated in their mother tongue. Studies have shown that when Indigenous children have four to seven years of intensive instruction in their mother tongue they fare better in school and in life.

[Today,] we celebrate the work of our Indigenous language champions and hold up the people who make the revitalization and survival of our languages their life's work. We ask you to join the international twitter campaign, Tweet Mother Language, and let the world know that survival of our languages is vital. The AFN is making every effort to ensure our languages - our worldviews, songs and stories - survive and thrive."

Assembly of First Nations National Chief Perry Bellegarde

Writing Prescriptions Did you hear about the doctor who wrote out a prescription in the usual doctor's fashion? The patient used it for two years as a railroad pass. Twice it got him into Radio City Music Hall, and once into Yankee Stadium. It came in handy as a letter from his employer to the cashier to increase his salary. And his daughter played it on the piano and won a scholarship to an internationally renown music conservatory.

Arson charges possible for 15-yr old

The *Herald* is reporting that Merritt RCMP are recommending to the Crown, charges of arson against a 15-year old MSS student, who can't be named.

The student allegedly started a fire in a garbage can in the counselling office, just before 10am on Monday, as the school body was headed into an assembly. The sprinkler system put out the fire before the firefighters arrived. No one was injured. Students were let go on an extended lunch while the clean-up was undertaken, and were asked to reconvene at 1pm.
