## TNRD open houses for mosquito service

TNRD is hosting two open houses to provide information about the new Nuisance Mosquito Control service for the Upper and Lower Nicola areas. The public will also have an opportunity to identify problem mosquito areas.

In Lower Nicola, the open house will be held today Monday, March 7, 6:30pm with a presentation at 7pm, at the Lower Nicola Hall, 382 Aberdeen Rd.

In Upper Nicola, it will be held tomorrow Tuesday, March 8, 6:30pm with a presentation at 7pm at the Quilchena Hotel, Highway 5A.

Mosquito control has been conducted by the TNRD for more than 40 years. This new service in Electoral Areas “M” and “N” will help reduce nuisance mosquitoes by controlling mosquito larval populations before they become adults.

For more info or to report a heavily mosquito infested site, please call the mosquito hotline at 250.372.5700 or email mosquitocontrol@tnrd.ca. For detailed program background info, go to [www.tnrd.ca/content/mosquito-control](http://www.tnrd.ca/content/mosquito-control)

## Int’l Women’s Day Tues. March 8, 2016

The 2016 theme for International Women’s Day is *Planet 50-50 by 2030: Step It Up for Gender Equality*. The United Nations observance on 8 March will reflect on how to accelerate the 2030 agenda, building momentum for the effective implementation of the new Sustainable Development Goals. It will equally focus on new commitments under UN Women’s *Step It Up* initiative, and other existing commitments on gender equality, women’s empowerment and women’s human rights. Lots of info at [www.unwomen.org](http://www.unwomen.org)

In Merritt, Nicola Valley Women in Action will host an event on Tuesday, March 8, at NVIT, 6pm. FMI contact Donna Smith 378-4377.

The Catholic Women’s League will holed their annual St. Patrick’s luncheon on Thurs March 17, 11am-2pm at the Catholic Church hall. Tickets available from members or at the door. Everyone welcome.

**Annual Spring Rummage Sale** Trinity United Church welcomes spring Friday & Saturday, March 18 & 19, 9am-3pm. Lots of gently used quality clothing for the family, small household items and treasures! 1899 Quilchena Ave.

**Spring Dance Camp** A new dance experience every day. Acro & Acro gymnastics, Highland dancing, Street dance & Hip Hop, Pilates & dance fitness. **Theory is when you know everything but nothing works. Practice is when everything works but no one knows why. In our lab, theory and practice are combined: nothing works and on one knows why.**

**Weighing In** Whenever my aunt went to the doctor, she would complain to me about the long delay she always endured. One day, when her name was finally called, she was asked to step on the scale. "I need to get your weight today," said the nurse. Without a moment’s hesitation, my aunt replied, "One hour & 45 minutes!"

## THIS WEEK’S HOROSCOPE

 <h3>Aries</h3> <p>March 21 - April 19</p> <p>Do you every think that it doesn't matter how many natural gifts you have, everything is a struggle? There will be a change for the better, and you'll find you have power, talent &amp; strength.</p>	 <h3>Taurus</h3> <p>April 20 - May 20</p> <p>Facing a challenging situation you wonder whether to make an effort or be patient. Try both! Try to change something and try too, not to care too much! The right outcome will ensue.</p>	 <h3>Gemini</h3> <p>May 21 - June 20</p> <p>Sometimes, there is no logical way to proceed! It may be wise to use imagination &amp; follow instincts, even if we can't explain our reasons. The impulse you act on this week, will be right.</p>	 <h3>Cancer</h3> <p>June 21 - July 22</p> <p>This week, you are in a sensitive situation, preventing by your very presence, the wrong thing from happening. It is time to acknowledge and assert your own strength.</p>
 <h3>Leo</h3> <p>July 23 - Aug 22</p> <p>What was once a passion is now more of a passing interest. As priorities change, you see opportunity you might not have recognised. It works greatly in your favour.</p>	 <h3>Virgo</h3> <p>Aug 23 - Sept 22</p> <p>You have become more aware of reasons to resent a situation than of things to feel grateful for — all this is changing. You find an advantage in the way an agreement was set up long ago.</p>	 <h3>Libra</h3> <p>Sept 23 - Oct 22</p> <p>You are being brave and sensible. In almost forcing yourself to recognise a truth, you are starting to see where an opportunity has been hiding in plain sight! You will yet do well this week.</p>	 <h3>Scorpio</h3> <p>Oct. 23 - Nov 21</p> <p>If you allow annoyance to affect your mood, you may prevent yourself from being as inventive as you need to be. You will see the bright only if you look on the bright side!</p>
 <h3>Sagittarius</h3> <p>Nov 22 - Dec 21</p> <p>People have different ideas about how you should respond to this week's challenge. You should heed advice. But only you now know what's really right and why.</p>	 <h3>Capricorn</h3> <p>Dec 22 - Jan 19</p> <p>Your outlook is simple this week. Don't get caught up in endless debate &amp; discussion. Don't be drawn into unnecessary confusion. Stay clear and you will have success.</p>	 <h3>Aquarius</h3> <p>Jan 20 - Feb 18</p> <p>A source of irritation will resolve itself soon, you know what you need to do. Even if it's only temporarily. Just accept that you are in for the long haul. This really isn't as bad as you may fear.</p>	 <h3>Pisces</h3> <p>Feb 19 - Mar 20</p> <p>This is a time to surprise yourself and to leave others pleasantly amazed by what you prove yourself to be capable of, despite all assumptions and expectations.</p>
