On Wednesday, March 16, Community Futures NV will stream the 2016 *Community Crowdfunding Summit* live broadcast from Prince George. Learn how your small/medium business or your favourite not-for-profit group can more effectively raise funds.

This year is anticipated to be a year of exponential growth on the crowdfunding scene. Globally, crowdfunding expanded from \$6.1 billion raised in 2013 to \$16.2 billion raised in 2014.

Find out how you can get in on the advantages of the ‘new’ future. There’s lots more info at [www.investlocalbc.ca](http://www.investlocalbc.ca)

## Nicola Canford's ‘Operation Green’

Grade 5 & 6 students at Nicola Canford Elementary are again participating in BC Hydro Powersmart & Encor Return-It’s *BC Green Games*. The enterprise started back in October, and this month they’re down to the wire on getting votes for their project. As of last evening, they were leading the pack in their category, heading over 19,000 votes (the next closest team has 15,157; 3rd place has 7,562 & 4th place has 4,874). But votes can change in a blink.

“We have what feels like a really strong lead... It was up to 3100 votes last night... But remember that the other team has been known to mobilize over 1700 votes in a single night.... And we need to fight them off until the end of March. So please, keep voting. Keep sharing and encouraging people in your own personal networks to vote and support our local kids,” posted teacher Yvonne Lord.

You can read all about their projects — gardening, composting, recycling, energy saving, and the study of biosolids, “an issue that gained a lot of attention in our community over the last couple of years” at [www.bcgreengames.ca](http://www.bcgreengames.ca), search Nicola Canford.

### What's the Difference?

What’s the difference between a jeweler, a vendor, and a bottle of glue? A jeweler sells watches. A vendor watches what he sells. As for the bottle of glue, I thought you might have got stuck with that one.

### Your Relatives Are Mine Too

A couple drove down a country road for several miles, not saying a word. An earlier discussion had led to an argument and neither of them wanted to concede their position. As they passed a barnyard of mules, goats and cows, the husband asked sarcastically, "Relatives of yours?" "Yep," the wife replied, "in-laws!"

## THIS WEEK'S HOROSCOPE

### Aries

March 21 - April 19

People aren't always easy to please. Yet despite all you find so daunting, there is hope on the horizon this week and the distinct possibility of significant change.

### Taurus

April 20 - May 20

'Necessity is the mother of invention'. Events this week, offer you a real chance to fulfil a much deeper need than that. Don't be afraid to be inventive.

### Gemini

May 21 - June 20

The only thing you need to apologise to yourself about, is your own tendency to make yourself feel inadequate! Treat yourself better this week, and the world will treat you better too.

### Cancer

June 21 - July 22

If you feel restricted, know that it is largely psychological and self-imposed. You need to out-grow a belief that has become irrelevant. Then the sky is the limit this week.

### Leo

July 23 - Aug 22

You are able to move on, let go, come of age and benefit from a greater level of inner maturity. Go beyond a past prejudice and you will be an inspiration to others too.

### Virgo

Aug 23 - Sept 22

Pride is more expendable than money and there is no shame in saying, 'I gave it my best shot.' Now you can change something that you feared would never alter.

### Libra

Sept 23 - Oct 22

Some people are so afraid of the unknown, but a journey of a thousand miles begins with a single step. If, this week, you can't move a mountain, move a stone or two.

### Scorpio

Oct. 23 - Nov 21

Perhaps you fear you will lose out or sell yourself short if you compromise. But there is no shame in adapting to a changing set of circumstances. Be brave this week.

### Sagittarius

Nov 22 - Dec 21

You may feel that you owe it to yourself to strive for the more difficult result. But this week, don't overlook the value of the obvious.

### Capricorn

Dec 22 - Jan 19

Be wary this week, of an enthusiasm that borders on a passion for a plan that it might be wiser to mull over longer and to view with slightly more suspicion.

### Aquarius

Jan 20 - Feb 18

There isn't such a rush and a process can be allowed to take its time. But you are keen to see it succeed before opportunities evaporate as events overtake you. Even so, go gently.

### Pisces

Feb 19 - Mar 20

Amazing changes are be possible if you mix effort and determination with imagination. This week, you will be able to seize the many chances for progress that are all around now.
